**Annual
Comprehensive
Financial Report**

for Fiscal Year Ended September 30, 2025

For Flagler County, 2025 was a year of meaningful investments into the infrastructure, economic development, and long-term community resilience. The continued growth and enrichment of the County only further aids in the commitment to excellence seen in years prior and many years to come.

The Flagler County Nexus Center is beginning to take shape as the highly anticipated hub for all residents of the County. The progress made in constructing the Center serves as a visual reminder of the advancement toward an expanded outreach in community engagement. With the new Bunnell Public Library, the Health and Human Services Department, and more all under one roof, the County has created a centralized location of resources for everyone.

Celebrating a long-time coming, landmark achievement, the Flagler County Executive Airport broke ground on the new General Aviation Terminal. This marks an important step toward enhancing aviation services and improving the County's economic development and business growth. The modernization and enhancement of the airport's capabilities will give another boost to the County's growing appeal. The County also commemorated the grand opening of Commerce Parkway in Bunnell, connecting State Road 100 and US 1. This project serves as a connection point for the community, improves the safety of residents by cutting time for first responders, as well as opening a new avenue for both commercial and residential growth. Nearly two decades in the making, it is a reflection of the strong collaboration between Flagler County, the City of Bunnell, and the Florida Department of Transportation and highlights what strategic partnerships can do for the County and its residents.

With these projects underway, completed, and just getting started, Flagler County is striving for the advancement and vitality of its community. Each year, more opportunities are created to expand economic development and outreach from the County to its residents, ensuring Flagler County remains a great place to live, work, and thrive.

The cover art for this report was designed by Haley Praetz, Senior, Flagler Palm Coast High School Digital Media Program — thank you for your talent and contribution.

May 22, 2026

To the Honorable Board of
County Commissioners and to the
Citizens of Flagler County, Florida

In accordance with Section 218.39 of the Florida Statutes, we are pleased to submit to you, the Board of County Commissioners and the citizens of Flagler County, the Annual Comprehensive Financial Report of Flagler County, Florida, for the year ended September 30, 2025.

State law requires that every general-purpose local government publish, within nine months of the close of the fiscal year, a complete set of financial statements. This report is published to fulfill that requirement for the fiscal year ended September 30, 2025.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal controls that it has established for this purpose. Responsibility for the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the Clerk of the Circuit Court and Comptroller as Chief Financial Officer of Flagler County. We believe the financial and statistical information presented is accurate in all material respects and is set forth in a manner designed to fairly present the financial position and result of operations of the County.

The County is responsible for establishing and maintaining internal controls to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition. The cost of a control should not exceed the benefits, and such decisions are the responsibility of County management.

Flagler County's financial statements for the year ended September 30, 2025, have been audited by the independent accounting firm of James Moore & CO., P.L., licensed in the state of Florida. The goal of the independent audit is to provide reasonable assurance that the financial statements of the County are free from material misstatement. The independent audit involves examining on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditors rendered an unmodified opinion. Based on their audit, the County's fiscal year ended September 30, 2025, financial statements are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

In accordance with the requirements of Section 215.97 of the Florida Statutes, the independent audit of the County financial statements was part of a mandated "Single Audit" designed to meet the special needs of federal and state grantor agencies. The standards governing single audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on internal controls and legal requirements involving the administration of federal awards. These reports are presented in the section entitled Compliance. Governmental accounting and auditing principles require that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of

Management's Discussion and Analysis (MD&A). This transmittal letter is designed to complement the MD&A and should be read in conjunction with it. The MD&A follows the independent auditor's report.

County Services and Reporting Entity

Flagler County was established in 1917 by the legislature of the State of Florida. Its territorial limits, as they presently exist, contain approximately 485 square miles of land area and 86 square miles of water area for a total area of 571 square miles. The County is located on the northeast coast of the Florida peninsula approximately 60 miles south of Jacksonville, Florida and 24 miles north of Daytona Beach and has approximately 19 miles of beachfront on the Atlantic Ocean. The County is bordered by St. Johns County to the north, Putnam County to the west and Volusia County to the South. The County is comprised of five municipalities – Palm Coast, Flagler Beach, Beverly Beach, Bunnell and Marineland.

The County operates under a commission/administrator form of government, with a governing body consisting of five county commissioners. The County is divided into five geographical districts, with five commissioners elected from each of these separate districts. The County Commissioners are the policy decision makers. In addition to the Board of County Commissioners, there are five elected constitutional officers performing specifically designated governmental functions: Clerk of the Circuit Court and Comptroller, Sheriff, Tax Collector, Property Appraiser and Supervisor of Elections.

Formal budgetary integration is employed as a management control device during the year for all governmental funds of the County for which annual budgets are adopted. Budgets for all governmental fund types are adopted on a basis consistent with GAAP, except for the Municipal Services sub-fund portion of the General Fund. The office of the Sheriff, Property Appraiser and Supervisor of Elections each operate their respective offices as budget officers with funding provided by the Board in the form of operating subsidies. In return, each budget officer is responsible for the collection of revenues within their jurisdiction area, and for the subsequent remittance of those collections to the Board. The Tax Collector is operated as a fee office. The Clerk of the Circuit Court and Comptroller operates a portion of the office as a budget officer, with the remainder being operated as a fee officer. Fee officers are authorized to retain revenues generated within their offices for the purpose of defraying the costs of operations. The Clerk of the Circuit Court and Comptroller serves as Clerk to the Board of County Commissioners and Comptroller for all board fiscal duties. The Clerk also serves as Clerk to the Circuit and County Courts.

Cash management is exercised independently by each constitutional officer. The Clerk of the Circuit Court and Comptroller serves as the treasurer and custodian of County funds and disburses funds on their behalf as required by law, and applicable management directives. Investment in idle funds is performed in accordance with the County's Investment policy.

In developing and evaluating the accounting system, consideration is given to the adequacy of internal controls. Internal accounting controls are designed to provide reasonable assurance regarding the safeguarding of assets and the reliability of financial records used to prepare accurate financial reports.

Economic Condition and Outlook

Financial conditions may be defined as the ability to balance cyclical expenditure needs with recurring revenue sources, while providing adequate services on a continuing basis. Given the County's financial statements are a snapshot of the activities of the previous fiscal year, the best understanding can be achieved by examining the environment in which the County functions. Assessing financial condition is dependent on many different factors, not limited to and including local economy, planning and projects, management policies and practices, and risk management.

Local Economy

Flagler County is a part of Northeast Florida’s “First Coast” – a region rich with history. This area is economically diverse: from shipping and heavy industry to tourism and leisure activities. Flagler County experienced unprecedented growth in earlier years and is on the rise again; at one point, known as the fastest growing county in the U.S. (CNN Money, March 2006). The County had a population of 140,714 in 2025. The 2025 Florida Research & Economic Database and Bureau of Economic Analysis showed an increase in population of 3.2% in one year. The 2025 population data showed an increase in the population of the County of 22% between the years of 2020 and 2025.

The principal commerce during this population increase was a continued presence in agriculture; with a large share of expansion resulting from the residential home building industry. The County issued 3,527 building permits in the 2025 fiscal year. Unemployment numbers reached a high in 2010 of 15.1%. Flagler County now enjoys a much lower 4.9% rate, slightly higher than the 4.3% state average. The personal income is hovering at about \$66,716, below the State of Florida per personal income median of \$73,006. An increasing school enrollment of around 14,873 students at the two local high schools, two middle schools, five elementary schools, one virtual school and one charter school over the previous 5 years reflects the County’s population change and noticeable growth.

Planning and Projects

Significant population growth in the last decade demands infrastructure improvements. The previous population graphic, showing just under 30% increase in population in those last 10 years from 108,310 to 140,714 residents, clearly establishes the necessity for capital growth and expansion as well as maintenance and upgrades to current infrastructure. Flagler County Government has responded to these demands both proactively and reactively. The following examples of ongoing projects reflect a healthy response to growth and a plan focusing on long term stability.

Major capital projects and improvements

- Flagler County Fire Administration Station 50: this project is a new construction of approximately 19,000 square feet Fire Administration Station located on Old Moody Boulevard in Bunnell, Florida. The total estimated project budget is \$15,253,837 with an estimated completion date of December 26, 2026.
- Flagler County Fire Station 51: this project is a new construction of an approximately 10,000 square foot Fire Rescue Station located on CR305, near the intersection with SR100. Total estimated project budget is \$10,364,235 with an estimated completion in November 2026.
- Visitor Eco Discovery Center: this is a new construction project of approximately 10,000 square foot facility located on SR100. This facility will serve the county and the region with eco-tourism opportunities and to create access and elevate awareness of the county's vast natural areas for all through education and high-quality recreational opportunities. Total estimated project budget of \$10,362,000 with and is expected to be completed in Fall 2027.
- Multipurpose Emergency Preparedness Facility: this is a new construction project of 10,000 square foot storm shelter facility/exhibit hall which will include a dividable main area, kitchen, storage, restrooms with showers and outside HVAC equipment. Total estimated project budget \$10,000,000 with an estimated completion date of June 30, 2026.

Management policies and practices

Flagler County's investment policy is largely guided by State statute. The purpose of this policy is to set forth in the investment objectives and parameters for the management of the public funds of Flagler County Board of County Commissioners. This policy focuses on three main criteria: safety, liquidity, and yield. Thus, the policy is designed to ensure the prudent management of public funds, the availability of operating and capital funds when needed, and an investment return competitive with comparable fund and financial markets. This approach allows the County to maximize financial return within the parameter of acceptable risk. The current investment policy defines various safeguards and loss prevention measures, including:

- Delegations of authority
- Standards of prudence
- Ethics and conflicts of interest
- Internal controls and investment procedures
- Continuing education
- Authorized investment institutions and dealers
- Maturity and liquidity requirements
- Risk and diversification
- Master re-purchase agreements
- Competitive selection of investment instruments
- Authorized investments and portfolio composition
- Performance measurements
- Reporting
- Third-party custodial agreements
- Formal investment policy adoption

Flagler County has FY 2025 assets totaling approximately \$671 million with total liabilities of \$232 million. This strong financial footing is reinforced by Standard & Poor's Ratings Services. The S&P outlook is positive and affirmed by its 'AA' rating for both Flagler County's outstanding: Series 2015 General Obligation Refunding Bonds and Series 2024 Capital Improvement Non- Ad Valorem Refunding Revenue Bonds.

These bonds are secured by the County's full faith, credit and resources pledged, while its covenant to budget and appropriate from legally available non-ad valorem revenue secures the capital

improvement and revenue refunding bonds. Non-ad valorem revenue means all legally available general fund revenue other than those generated from property tax.

Risk management

Flagler County acknowledges a multitude of inherent risks. These perceived risks are mitigated by a conservative self-insurance program and third-party insurance policies to lessen the potential for large unforeseen losses.

Employee life and health insurance is provided as a benefit under a health insurance plan administered by a third-party vendor. Employees pay for the cost of family health insurance coverage. The County recognizes and provides funding for all losses up to \$225,000. There is a third party stop-loss insurance policy in place which responds to claims exceeding this limit.

The County oversees the acquisition and administration of Workers Compensation insurance as well as Employment Practices Liability Coverage. Additionally, the County manages the purchase of all commercial insurance policies for the economic protection of County assets.

County administration and legal counsel establish appropriate policies and supports compliance with the policies and County standard for insurance held by contactors, tenants, vendors, concessionaires, and others whose actions may expose the County to the risk of financial loss.

Goals and Objectives

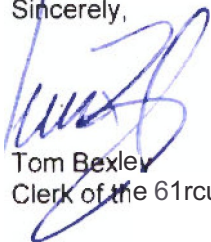

Management's goals and objectives are to continue to provide infrastructure for future growth, sound fiscal management and to maintain the quality of services provided to the citizens of Flagler County. Further, The County plans to expand and diversify its economic base to control the tax burden on the local taxpayer. This is accomplished through recruitment and retention of contributory businesses which derive their incomes and payrolls from exports of goods or services outside the local economy. Active promotion is necessary to attract these would be businesses to Flagler, strengthening and enhancing its existing business base.

Flagler County's economy has shown improvement over the most recent years as witnessed by a significant drop in unemployment and a drastic increase in building permits. While the County has historically relied on property taxes and intergovernmental revenues to fund its operations, the continued and ongoing goal is to spur commercial development to bolster the tax base and reduce the historic necessity on ad valorem taxes to fund County operations. Flagler County government continues to operate on a conservative budget.

Acknowledgments

An Annual Comprehensive Financial Report of this nature could not have been prepared without the efficient and dedicated service of all team members involved. Also appreciated are the efforts of elected officials and members of the County team, for their interest and support in planning and conducting the financial operation of the County in a progressive and responsible manner.

Sincerely,

Tom Bexley
Clerk of the Circuit Court and Comptroller

INDEPENDENT AUDITORS' REPORT

To the Honorable Board of County Commissioners,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Flagler County, Florida (the County), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of September 30, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof and budgetary comparison statements for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (GAS), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The combining and individual nonmajor fund financial statements and other schedules, and schedule of expenditures of federal awards and state financial assistance, as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Section 215.97, Florida Statutes, *Florida Single Audit Act*, are presented for purposes of additional analysis and are a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying combining and individual fund financial statements and other schedules, and schedule of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

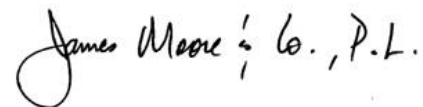

Other Information Included in the Annual Comprehensive Financial Report

Management is responsible for the other information included in the annual comprehensive financial report (ACFR). The other information comprises the introductory and statistical sections, but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Daytona Beach, Florida
May 22, 2026

MANAGEMENT'S DISCUSSION AND ANALYSIS

Flagler County Management's Discussion and Analysis presents a narrative overview and analysis of the County's financial activities for the fiscal year ended September 30, 2025. The information contained in the Management's Discussion and Analysis (MD&A) is intended to highlight significant transactions, events, and conditions and should be considered in conjunction with the County's financial statements beginning on page 14.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains required supplementary information and other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements

The government-wide financial statements, which consist of the following two statements, are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all County assets, deferred outflows, liabilities, and deferred inflows, with the difference between the sum of assets and deferred outflows, minus the sum of liabilities and deferred inflows, reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The statement of activities presents information showing how the County's net position changed during the fiscal year ended September 30, 2025. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods, such as uncollected taxes and earned but unused personal leave.

Both financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The types of County governmental activities include general government, public safety, physical environment, transportation, economic environment, human services, culture and recreation, court related, and interest on long-term debt. The business-type activities of the County include the airport, landfill, and waste management.

The government-wide financial statements can be found on pages 14-16 of this report.

Fund financial statements

A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other State and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Since the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the County's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains numerous individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the government fund statement of revenues, expenditures, and changes in fund balances for the general fund and the general capital projects fund, both of which are considered major funds. Information related to the additional nonmajor governmental funds is combined into a single, aggregated presentation. Individual fund information for each non-major governmental fund is provided in the form of combined statements.

The County adopts an annual appropriated budget for its general, budgeted special revenue and debt service funds as well as project-term budgets for the capital projects funds. A budgetary comparison schedule has been provided for the general fund and any major and non-major funds with annually appropriated budgets to illustrate compliance.

The governmental funds financial statements can be found on pages 17-21 of this report.

Recent Accounting Pronouncements

The Governmental Accounting Standards Board (GASB) has issued the following statements that will become effective in or after 2025.

- Statement No. 103 – *Financial Reporting Model Improvements*, effective Fiscal Year 2026
- Statement No. 104 – *Disclosure of Certain Capital Assets*, effective Fiscal Year 2026
- Statement No. 105 – *Subsequent Events*, effective Fiscal Year 2027.

The County is evaluating the requirements of these statements and the impact on financial reporting.

Additional information on the recent accounting pronouncements can be found in Note 1 on page 37 of this report.

FINANCIAL SUMMARY

- As of September 30, 2025, total assets and deferred outflows of resources exceeded total liabilities and deferred inflows, reported as net position, by \$439,306,308.
- Total net position increased by \$47,045,519 over the prior fiscal year ending September 30, 2024. More detail can be found under the section titled, "Government-Wide Financial Analysis," later in this document.
- Total governmental activities' net position increased by \$45,978,092. Overall governmental activities revenue increased, with property taxes, intergovernmental, capital grants & contributions and charges for services balancing against a decrease in operating grants and contributions. Expenses increased across many areas, with decreases seen in the physical environment, human services, and culture/recreation. The cumulative result was an increase in net position.
- Total business-type activities' net position increased by \$1,067,427, a result of increased revenues from charges for services, which exceeded a decrease in capital grants and contributions.

DETAILED ANALYSES

Government-wide Financial Analysis

Over time, net position may serve as a useful indicator of the County's financial position. In the fiscal year ended September 30, 2025, total assets and deferred outflows of the County exceeded liabilities and deferred inflows by \$439,306,308.

Total Net Position	\$ 338,416	\$ 384,393	\$ 53,845	\$ 54,913	\$ 392,261	\$ 439,306

The County's net investment in capital asset balance at the end of the fiscal year was \$361,813,158, an increase of \$31,177,502 compared with last year. Governmental investment in capital assets increased by \$31,509,426 and business-type investment decreased by \$331,924. The increase in Governmental investment is primarily due to an increase in capital assets net of depreciation of \$20,183,855, as well as a reduction in bonds payable (issued for capital projects) of \$11,972,540, non-debt related capital and retainage payables of \$1,390,776, and an increase in subscription liability of \$2,389,822.

The County's Restricted Net Position balance at the end of the fiscal year was \$ 75,812,133. This amount represents resources subject to external restrictions on how they are used and shows a decrease of \$26,749,370 compared with last year. Governmental activities decreased by \$26,024,088 and business-type activities decreased by \$725,282. The reduction in governmental activities is primarily due to a reduction in capital projects of \$18,548,359 and general government funds purposed in the amount of \$6,903,289.

The County reported Unrestricted Net Position in the amount of \$1,681,017, an increase of \$42,617,387 compared with last year. Governmental activities increased by \$40,492,754 and business-type activities increased by \$2,124,633. The governmental activities increased in general funds by \$18,917,618, general capital projects funds by \$14,196,171, nonmajor special revenue funds by \$3,036,855 and net pension liability by \$17,322,532, offset by an increase in deferred inflows net pension liability of \$6,805,805 and deferred outflows net pension liability of \$5,885,405.

DETAILED ANALYSIS (CONTINUED)

Capital Assets and Long-Term Financing Activity

The County's capital assets for its governmental and business-type activities as of September 30, 2025, amounts to \$450,456,066 (net of accumulated depreciation). The capital assets include land, fine arts collections, buildings, improvements other than buildings, vehicles, equipment, infrastructure, construction in progress, lease and subscriptions assets. The total net increase in the County's capital assets for the fiscal year ended September 30, 2025, was \$22,335,342 from governmental activities with a decrease of \$158,751 in business-type activities.

Major capital events during this fiscal year include the following:

- Construction of Nexus Center (Library and Health & Human Services) building, \$12,384,103
- Improvements to County roadways, \$6,422,016
- Purchase of Environmental Sensitive Land, \$4,225,617
- Purchase of Sheriff's Office vehicles, helicopter and other equipment, \$2,439,764
- Construction of General Aviation Terminal facility at the Airport, \$1,555,624

Additional information on the county's capital assets can be found in Notes 5 and 6 on pages 43-45 of this report.

Debt Administration

The County's long-term debt obligation for notes and bonds within governmental and business-type activities as of September 30, 2025, was \$81,760,946, a decrease of \$8,385,927. New debt obligation issued by the county in this fiscal year included Capital Improvement Non-Ad Valorem Refunding Revenue Bonds, Series 2024, with an original face value of \$24,965,000, issued in January 2025; Capital Improvement Revenue Note, S2024A issued December 18, 2024, not to exceed \$1,455,000; and Capital Improvement Revenue Note S2024B issued December 18, 2024, not to exceed \$535,000. The capital-related debt is net of \$2,379,852 in unspent debt proceeds.

Additional information on the county's long-term debt obligations can be found in Note 7 on pages 45-50 of this report.

Governmental activities

Governmental activities increased the County's net position by \$45,978,092.

Approximately two-thirds of total governmental spending was primarily funded by ad valorem taxes, which recorded a 13.58% increase in countywide property values, including new construction, while maintaining a reasonably steady countywide operating millage rate at 7.9945. This led to an increase in ad valorem taxes of approximately \$14 million.

Countywide personal service expenditures increased as the County instituted a 3.9% cost-of-living adjustment to salaries, excluding prior union negotiation agreements.

DETAILED ANALYSIS (CONTINUED)

Governmental activities (continued)

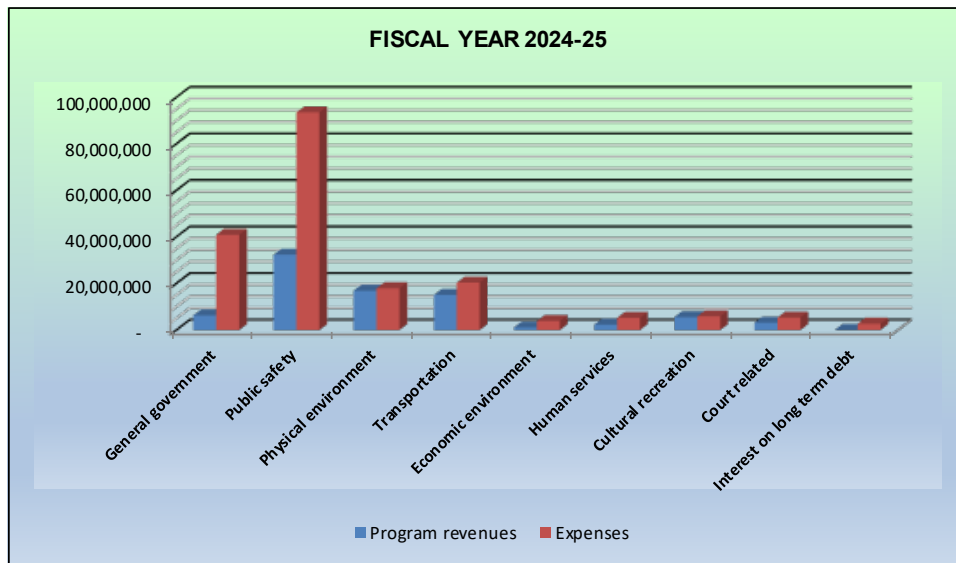

The revenues by source graph below shows four major revenue sources, including property taxes of \$131,113,108 compared to \$116,577,024 in the prior year, charges for services of \$29,597,072 compared to \$25,475,669 in the prior year, operating grants and contributions of \$30,358,611 compared to \$29,528,016 in fiscal year 2024, and capital grants and contributions of \$22,921,614 compared to \$10,508,812 in the prior year.

Revenues by Source - Governmental Activities

The expenses and program revenues graph below highlights the County's major programs as public safety, general government, physical environment and transportation. Total program revenues for these four programs was \$70,801,173 compared to \$54,430,853 in the prior year, an increase of \$16,370,320; total expenditures for these same programs increased \$14,731,236 from \$158,171,172 during the prior year to \$172,902,408 in the current fiscal year.

Expenses and Program Revenues – Governmental Activities

DETAILED ANALYSIS (CONTINUED)

Governmental activities (continued)

Public safety, consisting of Emergency Services and Fire/Rescue, Emergency Management, Growth Management and Law Enforcement, experienced a significant increase in program revenues, up nearly 50% from \$21,684,925 to \$32,408,054, with charges for services going up by \$5,058,719, operating grants and contributions increasing by \$4,449,889, and capital grants and contributions up by \$1,214,521, a total increase in those four programs of \$10,723,129. Public safety expenses incurred were \$93,538,622 compared to \$84,701,659, an increase of 10.4% over the prior fiscal year. This increase is primarily due to additional personal services expenses, an increase in medical services for prisoners of 49% from \$1.5 million in the prior year to more than \$2.2 million; and a 25% increase in the cost of medical examiner services provided by St. John's County. These changes led to a net expense in public safety of \$61,130,568 compared to last year's net expense of \$63,016,734.

General government revenues stayed relatively flat while expenses increased to \$40,962,625 compared to \$37,390,025 in the prior fiscal year, due to expenses related to the ARPA – Canal Capacity Expansion project under the storm water master plan, with an expense of approximately \$1.7 million as well as increased personal services expenses. Overall, general government showed a net expense of \$34,612,873 in the current year compared to the prior year's net expense of \$30,985,149.

Revenues for physical environment realized a slight increase in operating grants and contributions from \$12,801,214 to \$13,457,619, and a substantial increase in capital grants and contributions of \$2,945,094 from \$549,855 the prior year to \$3,494,949 as of September 30, 2025, primarily attributable to State Legislation appropriation of \$3.0 million to purchase 3 Creeks/Pringle Forest property. Expenses for physical environment declined by 3.67% to \$17,982,864 from \$18,667,123, due to a pause in Flagler County's A1A dune restoration project, a reduction in spending of close to \$2.5 million from the prior year and an increase of \$1.5 million related to the ARPA – Willow Woods project in Palm Coast. The net result of these changes was an overall net expense of \$1,030,296.

Transportation experienced a drop in charges for services from \$858,709 to \$145,371 and in operational grants and contributions from \$2,410,377 to \$1,842,160, and an increase in capital grants and contributions from \$9,720,897 to \$13,103,268, resulting in an overall increase in revenues of \$2,100,816. As a result, expenses, primarily funded through operating and capital grants, grew by 17.26% from \$17,412,365 in the prior year to \$20,418,297, with the increase primarily due to the Commerce Parkway Connector project, a 2-lane, 1.7-mile roadway connecting SR-100 to the south side of US 1, providing a more direct route to that area for emergency vehicles, and new water and sewer utilities in the City of Bunnell. The net expense created by these changes is \$5,327,498 compared to a net expense of \$4,422,382 in the prior year.

Business-type activities

Business-type activities increased the County's net position in the amount of \$1,067,427.

The expenses and program revenues graph on the following page shows the two major business-type programs as the airport and waste management, with the airport accounting for \$4,571,071 of expenditures and waste management with \$3,904,456, totaling \$8,475,527.

Program revenues for the Airport dropped from \$9,048,029 to \$5,531,109, a difference of \$3.5 million due to the end of Federal and State grant funding in the prior fiscal year and work continuing to complete the project in the current year. Waste Management saw a slight increase in program revenues from \$3,803,181 to \$3,919,321 primarily due to an increase in customers from 9,000 to 9,250.

DETAILED ANALYSIS (CONTINUED)

Business-type activities (continued)

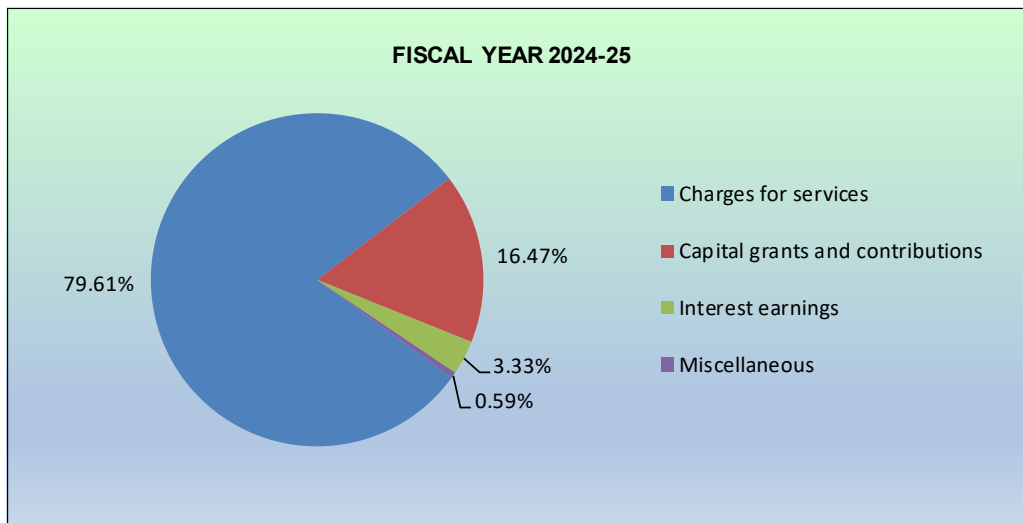

Airport operating expenses dropped slightly from the prior year's total of \$4,568,644 to \$4,571,071, while Waste Management increased from \$3,424,993 in the prior year to \$3,904,456, an increase of \$479,463, due primarily to a 10% increase in contracted services with Waste Pro to collect the County's solid waste.

Expenses and Program Revenues – Business-type Activities

The revenues by source graph below shows two major revenue sources including charges for services of \$7,831,632 and capital grants and contributions of \$1,620,452, totaling \$9,452,084.

Revenues by Source - Business-type Activities

DETAILED ANALYSIS (CONTINUED)

Financial Analysis of the County's Funds

The County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County's financing requirements. Assigned and unassigned fund balance may serve as a useful measure of the County's net resources available for spending at the close of a fiscal year.

On September 30, 2025, the County's governmental funds reported combined ending fund balances of \$159,000,335, an increase of \$12,179,631 over the previous fiscal year. Assigned and unassigned fund balance of \$84,219,630 in total governmental funds is available for spending at the County's discretion, leaving \$73,898,899 of fund balances restricted for spending within the limitations of the funds' revenue source; the amount reported as restricted for debt service was \$9,715,891.

General Fund

The general fund is the operating fund of the County. On September 30, 2025, assigned and unassigned fund balances of this fund were \$69,596,824 while the total fund balance amounted to \$73,521,421. As a measure of the general fund's liquidity, it may be useful to compare both assigned fund balance and the total fund balance to total fund expenditures. The general fund reported \$1,606,570 of assigned fund balance, which represents FY26 adopted budget for FY25 operating expenditures carried forward. The fund balance of the County's general fund increased by \$14,483,100 during the fiscal year ended September 30, 2025, the net effect of increases in ad valorem taxes from \$111,126,496 to \$125,523,856, charges for services revenues from \$19,488,173 to \$23,538,921, intergovernmental revenue from \$12,020,274 to \$16,304,243 combined with a decrease in interfund transfers, and increases in spending for public safety from \$72,966,094 to \$86,060,152 and general government from \$33,322,703 to \$38,647,003. The cumulative result is an increase in General Fund.

Major Funds

The Tourist Development Tax – Beach Restoration fund moved from a non-major to a mayor fund this fiscal year and ended with a non-spendable and restricted fund balance of \$311,962. The decrease in fund balance of \$1,790,949 was primarily due to the increase in expenditure for the beach dune restoration/nourishment project.

General Capital Projects ended this fiscal year with a non-spendable and assigned fund balance of \$14,196,171. The decrease in fund balance of \$6,243,687 was primarily due to expenditure on Nexus Center building (Library and Health & Human Services).

Details regarding the change of the Tourist Development Tax – Beach Restoration Fund from non-major to major fund can be found in Note 16 on page 66 of this report.

Special Revenue Funds

The special revenue funds have a total fund balance of \$49,242,549; the details of which are provided in the form of combining statements, since all are non-major.

Proprietary funds

The County's proprietary funds provide information similar to that found in the business activities of the government-wide financial statements, while furnishing more detail.

Proprietary funds reported unrestricted net position of \$8,013,469 on September 30, 2025, of which business-type enterprise fund activities represented \$5,147,773. A total of \$1,722,627 was reported as restricted for capital projects and acquisitions within business-type enterprise fund activities.

CURRENTLY KNOWN FACTS, DECISIONS OR CONDITIONS

Economic Factors

Flagler County has historically relied on property taxes and intergovernmental resources to fund its operations. The County has utilized grants together with road and park impact fees to help fund the infrastructure needs of its population.

During fiscal year 2007, the Florida Legislature imposed restrictions on the ability of municipalities and counties to increase millage rates. In January 2008, the voters of Florida passed Amendment 1, which further limits property tax collections. In addition to the impact of Amendment 1, the value of properties in Flagler County decreased significantly during the economic downturn. The County continues to have slight property value increases in the current fiscal year.

Next Year's Budgets and Rates

The Board of County Commissioners approved an operating millage rate of 7.9945 mills and a voted debt service millage rate of 0.1855 mills for a total millage rate of 8.1800 mills in the upcoming fiscal year.

The County budget for Fiscal Year 2026 was set at \$335,772,213, an increase of 9.10% over the prior year. The General Fund budget represented \$202,737,165 of that total, an increase of 13.40% over the prior year. The gross taxable value increased 9.94%, with property taxes for a home valued at \$300,000 (less \$50,000 homestead exemption) reaching \$2,045.

Flagler County could also be subject to a decrease in other revenues that are dependent on economic activity; therefore, the County continues to operate on a conservative budget.

CURRENTLY KNOWN FACTS, DECISIONS OR CONDITIONS (CONTINUED)

Notable Events

- **Flagler County Fire Administration Station 50:** this project is a new construction of approximately 19,000 square feet Fire Administration Station located on Old Moody Boulevard in Bunnell, Florida. The total estimated project budget is \$15,253,837 with an estimated completion date of December 26, 2026.
- **Flagler County Fire Station 51:** this project is a new construction of an approximately 10,000 square foot Fire Rescue Station located on CR305, near the intersection with SR100. Total estimated project budget is \$10,364,235 with an estimated completion in November 2026.
- **Visitor Eco Discovery Center:** this is a new construction project of approximately 10,000 square foot facility located on SR100. This facility will serve the county and the region with eco-tourism opportunities and to create access and elevate awareness of the county's vast natural areas for all through education and high-quality recreational opportunities. Total estimated project budget of \$10,362,000 with and is expected to be completed in Fall 2027.
- **Multipurpose Emergency Preparedness Facility:** this is a new construction project of 10,000 square foot storm shelter facility/exhibit hall which will include a dividable main area, kitchen, storage, restrooms with showers and outside HVAC equipment. Total estimated project budget \$10,000,000 with an estimated completion date of June 30, 2026.

Requests for Information

This financial report is designed to present users with a general overview of the County's finances and to demonstrate the County's accountability. If you have questions concerning the information provided in this report or need additional financial information, contact Tom Bexley, Clerk of Circuit Court & Comptroller, 1769 E. Moody Blvd. Building #1, Bunnell, FL 32110.

FLAGLER COUNTY, FLORIDA
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2025

Fund balances of governmental funds	\$	159,000,335
Amounts reported for <i>governmental activities</i> in the statement of net position are different because:		
Capital assets used in governmental activities are not financial resources therefore are not reported in the funds. The amount included in the statement of net position is the difference between:		
Capital assets, at cost	579,548,977	
Accumulated depreciation	(186,633,533)	
Right-to-use leased assets, net of \$2,168,903 accumulated amortization	3,118,775	
Subscription-based information technology, net of \$810,220 accumulated amortization	3,154,867	399,189,086
Long term liabilities are not due and payable from current resources and therefore are not reported in the funds:		
Bonds and notes payable	(71,987,496)	
Obligation for leased assets	(3,230,559)	
Obligation for subscription-based information technology	(3,146,849)	
Compensated absences	(7,491,606)	
OPEB liability	(11,976,240)	
Net pension liability	(90,491,918)	(188,324,668)
Certain assets and liabilities reported in governmental activities do not provide or use current financial resources and therefore are not reported in the funds:		
Unamortized bond premium	(5,752,451)	
Accrued interest payable	(1,016,157)	(6,768,608)
Unavailable resources are reported as deferred outflows and inflows in the governmental funds, but not in the governmental activities:		
Deferred inflows - long term receivables	2,287,062	2,287,062
Deferred outflows and inflows related to liabilities that are not due and payable in the current period are not reported in the governmental funds:		
Deferred outflows - bond refunding	1,095,724	
Deferred outflows - OPEB related	5,729,551	
Deferred inflows - OPEB related	(2,073,754)	
Deferred outflows - pension related	30,547,497	
Deferred inflows - pension related	(19,159,162)	16,139,856
Internal service funds are reported as proprietary activities on the fund level statements, but as governmental activities on the government-wide statements.		
This represents unrestricted net position of the internal service funds.	2,870,581	2,870,581
Net position of governmental activities	\$	384,393,644

The notes to financial statements are an integral part of this statement.

FLAGLER COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2025

Net change in fund balances - total government funds \$ 12,179,631

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets are allocated over their estimated useful lives and reported as depreciation expense. Contributions of capital assets increase assets but do not appear in the fund statements because they are not financial resources.

Capital assets acquired with financial resources	33,099,194	
Right-to-use leased assets	947,761	
Subscription-based information technology	3,313,781	
Current year amortization/ depreciation	(15,175,364)	
Gain on disposal of capital assets	32,728	
Loss on right-to-use leases	(143,102)	
Sale of capital asset	(281,395)	
Contributions of capital assets	<u>878,299</u>	
		22,671,902

Governmental funds report certain bond transactions immediately. However, in the statement of activities these transactions are amortized over the useful life of the debt:

Amortized bond refunding	(168,844)	
Amortized bond premium	<u>504,738</u>	
		335,894

The issuance of bonds and similar long-term liabilities provides current financial resources to governmental funds and thus contribute to the change in fund balance. In the Statement of Net Position, however, issuing debt increases long-term liabilities and does not affect the Statement of Activities. Similarly, repayment of principal is an expenditure in the governmental funds but reduces the liability in the Statement of Net Position. The amounts of the items that make up these differences in the treatment of long-term liabilities and related items are:

Principal repayment on bonds and notes	37,837,540	
Principal repayment on leases and subscriptions	1,629,559	
Proceeds from issuance of lease and subscriptions obligations	(4,262,207)	
Proceeds from issuance of debt	<u>(28,396,351)</u>	
		6,808,541

Revenues in the Statement of Activities that do not provide current financial resources are reported as unavailable revenues in the funds.

Deferred inflows - long term receivables	(706,252)	
Deferred inflows - special assessments	<u>(95,649)</u>	
		(801,901)

Pension and OPEB expense in the Statement of Activities have been amortized for related deferred inflows and outflows.

Deferred outflows - OPEB related	3,417,246	
Deferred inflows - OPEB related	274,615	
Deferred outflows - pension related	(5,885,405)	
Deferred inflows - pension related	<u>(6,805,805)</u>	
		(8,999,349)

FLAGLER COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2025
(Concluded)

Some expenses reported in the Statement of Activities did not require the use of current financial resources and therefore are not reported as expenditures in governmental funds. Those include:

Accrued compensated absences	(548,621)	
OPEB liability	(4,653,480)	
Net pension liability	17,322,532	
Accrued interest payable	<u>274,217</u>	
		12,394,648

Internal service funds are used to charge the cost of certain activities to individual funds. The net revenue (expense) is reported with governmental activities:

Other nonoperating income	101,420	
Transfer from General Fund	2,060,636	
Current year amortization / depreciation	(5,328)	
Gain (loss) from operations	<u>(768,002)</u>	
		1,388,726

Change in net position of governmental activities		<u>\$ 45,978,092</u>

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies:

Flagler County, Florida (the County) is a political subdivision of the State of Florida created pursuant to Chapter 7 of the Florida Statutes. It is governed by an elected Board of County Commissioners (the Board) which is governed by State statutes and regulations. The Board has only those powers expressly vested in it by State Statute, and its governmental powers may not be delegated. The Board appoints an administrator to manage all policies emanating from its statutory powers and authority.

The accompanying financial statements present the financial position and results of operations of the governmental and business type activities of the Board and the five constitutional officers (collectively the Constitutional Officers) of the County. The Constitutional Officers are Clerk of Circuit Court and Comptroller (Clerk), Sheriff, Tax Collector, Property Appraiser, and Supervisor of Elections. The Constitutional Officers maintain separate accounting records and budgets, which are combined with the Board for financial reporting purposes.

The accounting policies of the County conform to accounting principles generally accepted in the United States (GAAP) as applicable to governments. The following is a summary of significant accounting policies of the County.

Reporting Entity

The Governmental Accounting Standards Board (GASB) in its Statement No. 14, "The Financial Reporting Entity," as subsequently amended, establishes standards for defining the financial reporting entity. In developing these standards, the GASB assumed that all governmental organizations are responsible to elected officials at the Federal, State, or local level. Financial reporting by a State or local government should report on the elected officials' accountability for those organizations.

The Board is the legislative and governing body of Flagler County, Florida, established under the legal authority of the Constitution of the State of Florida, and consists of five elected officials. The Clerk of the Circuit Court and Comptroller, an elected official, serves as clerk and accountant of the Board pursuant to Florida law.

The County uses the criteria established in GASB No. 14 as subsequently amended, to define the reporting entity and identify component units. Component units are entities for which the County is considered to be financially accountable or entities that would be misleading to exclude.

As required by accounting principles generally accepted in the United States of America, the financial reporting entity consists of (1) the primary government (the County), (2) organizations for which the County is financially accountable, and (3) other organizations for which the nature and significance of their relationship with the County are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The County is financially accountable if it appoints a voting majority of the organization's governing body and (a) is able to impose its will on that organization, or (b) there is a potential for the organization to provide specific financial benefits to or impose specific financial burdens on the County. The County may be financially accountable if an organization is fiscally dependent on the County, regardless of whether the organization has (a) a separately elected governing board, (b) a governing board appointed by a higher level of government, or (c) a jointly appointed board.

Based on these criteria, County management examined all organizations which were legally separate to determine which organizations, if any, should be included in the County's financial statements. Management determined there are no organizations that should be included in the County's financial statements as component units.

During the 2024-25 fiscal year, the County did not participate in any joint ventures.

Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., statement of net position and statement of activities) report information on all non-fiduciary activities of the County. Governmental activities normally supported by taxes and intergovernmental revenues are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

The statement of activities demonstrates the degree to which the direct expenses of a given activity are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or activity. Program revenues include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or activity; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or activity. Taxes and other items not properly included among program revenues are reported, instead, as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, though the latter are excluded from the government-wide financial statements. Major individual governmental and proprietary funds are reported as separate columns in the fund financial statements.

Basis of Presentation, Measurement Focus, and Basis of Accounting

The accompanying financial statements of the County have been prepared in conformity with GAAP as prescribed by the Governmental Accounting Standards Board (GASB). GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles for units of local government.

Government-wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

As a rule, other than for interfund services provided and used, the effect of interfund activity has been eliminated from the county-wide financial statements. Fiduciary funds have also been removed from this presentation since the resources are not available for general government funding purposes.

Fund Financial Statements

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on the balance sheets. The reported fund balance (net current assets) is considered a measure of "available spendable resources."

The operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a given period.

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The County considers revenues to be available if they are collected within 60 days after year end. Grants collected on a reimbursement basis are recognized as revenue when reimbursable expenditures are made, and the County considers amounts received within one year as available. Non-exchange transaction revenues are recognized in the period in which the underlying transaction occurred. Expenditures are generally recognized when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

All proprietary funds are accounted for using the accrual basis of accounting. Revenues are recognized when they are earned, and their expenses are recognized when they are incurred.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the County's enterprise funds, and the County's internal service funds are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation of capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Fiduciary funds are accounted for on the accrual basis of accounting. Custodial funds are purely custodial in nature and do not measure the results of operations.

The County's policy is to use restricted resources first, then unrestricted resources, when both are available for use to fund an activity.

Fund financial statements report detailed information about the County. The focus of fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

The County reports on the following major governmental funds:

General Fund - To account for and report all financial resources which are generated from operations of the Board and Constitutional Officers, not accounted for, and reported in another fund.

Tourist Development Tax – Beach Restoration – This fund was established to account for and report proceeds for 20% of the 5% local option tourist development tax on transient lodging within the County. Expenditures in this fund are restricted to beach restoration and maintenance activities that help promote the County as a strong visitor destination.

General Capital Projects - This fund was established to account for, and report revenues and expenditures related to the County's capital projects and/or equipment funded by General Fund and with a cost estimate at or above \$50,000 and an asset life of at least five (5) years or Innovation Technology (IT) with a minimum cost estimate for project inclusion at or above \$10,000.

The County reports on the following major enterprise fund:

Airport - To account for the operations and activities of the County's airport.

In addition to the General Fund, the County reports the following fund types:

Special Revenue Funds - The Special Revenue Funds of the County are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

Debt Service Funds - The Debt Service Funds of the County are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for principal and interest.

Capital Projects Funds - The Capital Projects Funds of the County are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

Enterprise Funds – The Enterprise Funds of the County are used to account for and report activities for which a fee is charged to external users for goods or services.

Internal Service Fund - The Internal Service Fund of the County accounts for the self-insurance services provided by the department or agency to other departments or agencies of the governmental unit or to other governmental units, on a cost reimbursement basis.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Fiduciary Funds - The Fiduciary Funds of the County are used to account for assets held by the County as an agent for individuals, private organizations, and other governments, such as ad valorem taxes, cash bonds, traffic fines and support payments. The County reports these funds for Clerk of Courts, Sheriff, and Tax Collector.

Capital Assets

All purchased capital assets are recorded at cost where historical records are available and at estimated cost where no historical records exist. Donated capital assets are recorded at acquisition value at the date received. Generally, capital assets costing more than \$5,000 and having a useful life of more than one year are capitalized. The costs of normal maintenance and repairs that do not either add to the value of the asset or materially extend asset lives are not capitalized. Capital assets are reported in the applicable governmental or business-type column in the government-wide financial statements, and in the Proprietary Fund Level Statements.

Intangible right-to-use leased assets are recorded at the present value of payments expected to be made during the lease term adjusted for any payments made at or prior to the lease commencement date and any direct costs. Subscription-based intangible assets are recorded at the present value of payments expected to be made during the subscription term adjusted for any costs recorded as prepaid assets during the initial implementation stages of the project.

All capital assets except land and construction in progress are depreciated or amortized using the straight-line method over the following useful lives:

Infrastructure	20-50 years
Buildings and improvements	5-50 years
Equipment	3-15 years
Vehicles	5-6 years
Right-to-use leased assets	2-14 years
Right-to-use subscription-based assets	2-10 years

The County has artwork in various public facilities. The value of art is inexhaustible; therefore, it is not depreciated.

Long-Term Liabilities

Long-term liabilities expected to be financed from governmental funds are not reported in the governmental funds but, rather, are reported on the statement of net position of Flagler County, Florida. Because of their spending measurement focus, expenditure recognition of governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Budgets and Budgetary Accounting

The County has taken the option of presenting the budgetary comparison schedules in the Required Supplementary Information section.

The following procedures are utilized by the County in establishing and /or amending the budgetary information contained in the required supplementary information:

- (i) On or before June 1 of each year, the Clerk of the Circuit Court and Comptroller, Sheriff, Supervisor of Elections and Tax Collector each submit a proposed operating budget for the ensuing fiscal year to the Board.
- (ii) The proposed operating budget of the Property Appraiser must be presented to the Board on or before June 1 of each year and is simultaneously submitted by the Property Appraiser to the State of Florida, Department of Revenue, from which the final approval of the budget of the Property Appraiser must estimate.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

- (iii) On or before July 15 of each year, or within 15 days after the receipt of certified taxable property values from the Property Appraiser, whichever occurs last, the County Administrator presents to the Board a proposed budget for the fiscal year commencing the following October 1. Pursuant to the provisions of Section 129.01, Florida Statutes, the proposed budget as submitted contain balanced statements of estimated revenues (including unexpended fund balances to be carried forward) and proposed appropriations for each fund required to be resented by law or by sound financial practices, including the General, Special Revenues, Debt Service, and Capital Projects funds.
- (iv) Following a preliminary review of the proposed budgets by the Board, whose members make such changes as are considered necessary, the Board causes a notice of proposed property taxes to be mailed to each County property taxpayer. Included in the notice is a statement of the Board's intent to hold a public hearing to consider adoption of the tentative millage rates and budgets, as well as a comparison of the taxpayer's proposed property tax bill with the actual tax bill of the preceding year.
- (v) Following successful completion of the above referenced public hearings, the Board advertises and subsequently conducts a second public hearing to finally adopt a millage rate and budget for each of the taxing entities under their jurisdiction. These public hearings are ordinarily held prior to October 1 each year. If, however, for some reason the County is unable to finally adopt a budget prior to October 1, state law permits the adoption by resolution of the budget to the preceding year as an interim measure.
- (vi) Pursuant to the provisions of Section 129.07, Florida Statutes, the County is prohibited from expending or contracting for the expenditure of any amount more than the total amount budgeted in any fund. It is, however, legally permissible at the present time for the budgets of individual departments included within a particular fund to be over expended in total without requiring mandatory action by either the Board or the County Administrator.
- (vii) Subsequent to final adoption of the budget by the Board, changes to the budget, as enacted, are only required (by either statutory law or current management practices) when revenues not anticipated in the original budget document are received, which management wishes to have appropriated during the current year, resulting in an increase to the total appropriations of a fund. Such increases can only be incorporated into the budget document following approval by the Board.
- (viii) Adoption and execution of the budgets are governed in accordance with applicable provisions of Florida Statutes.
- (ix) Formal budgetary integration at the object level is used as a management control device for all governmental funds of the County for which annual budgets are adopted, including the General, Special Revenue, Debt Service, and Capital Projects funds. The legal level of budgetary control is at fund level.
- (x) The General Fund budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America (GAAP). The Municipal Services, Public Safety Communications Network, and Disaster Relief Funds are reported as part of the General Fund but are not budgeted as part of the General Fund. Budgets for Special Revenue, Debt Service and Capital Projects funds are all on a GAAP basis.
- (xi) All appropriations lapse at the end of each fiscal year, although the County expects to honor purchase orders and contracts in-process, subject to authority provided in the subsequent year's budget.

Cash and Cash Equivalents

The County's cash and cash equivalents are considered to be cash on hand, demand deposits, cash with fiscal agents and short-term investments, including restricted assets, with original maturities of three months or less from the acquisition date. Investments are stated at fair value. The County allocates investment earnings of the cash and investment pool to each participating fund on a monthly basis in accordance with the funds average balance in the pool for the month.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Investments

Investments for the County are reported at fair value, in accordance with GASB Statement No. 31, as amended by GASB Statement No. 72, except for the position in Public Assets for Liquidity Management (FL Palm). This pool meets all the specific criteria in GASB Codification Section 150: *Investments* to qualify to elect to measure its investments at amortized cost. Accordingly, the fair value of the County's position in the pool is equal to the value of the pooled shares.

In addition to reporting investments at fair value, the County is reporting investments in accordance with the requirements of GASB 40.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in all governmental funds. Encumbrances outstanding at year-end are reported within the respective fund balances. Unexpended items, which are encumbered at year end, are reappropriated in the subsequent year.

Compensated Absences

The County recognizes a liability for compensated absences for leave time that (1) has been earned for services previously rendered by employees, (2) accumulates and is allowed to be carried over to subsequent years, and (3) is more likely than not to be used as time off or settled (for example, paid in cash to the employee) during or upon separation from employment. Based on the criteria listed, only one type of leave qualifies for liability recognition of compensated absences – *personal leave*. The liability for compensated absences is reported as incurred in the government-wide and proprietary fund financial statements. A liability for compensated absences is recorded in the governmental funds only if the liability has matured because of employee resignations or retirements. The liability for compensated absences includes salary-related benefits, where applicable.

Inventory

Inventory of the proprietary funds is valued at (first-in, first-out). Inventory of the general fund is valued at cost, using the weighted average method. The cost of inventory of the general fund is recorded as an expenditure when consumed, rather than when purchased. An offsetting non-spendable fund balance is reported to indicate that the asset is not available for appropriation or expenditure.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. Prepaid items in governmental funds are recognized using the consumption method. This includes costs related to the initial implementation stages of subscription-based information technology arrangements being recorded as an addition to the asset when the subscription term commences.

Interfund Activity

Interfund activity within and among the County's three fund categories (governmental, proprietary, and fiduciary) are classified as reciprocal interfund activity and nonreciprocal interfund activity. Reciprocal interfund resource flows between the funds with an expectation of repayment are reported as interfund receivables and payables. Reciprocal interfund resource flows, without an expectation of repayment within a reasonable time, are reported as transfers between funds. Interfund services provided and used are sales and purchases of goods and services between funds for a price approximating their external value and are reported as revenues and expenditures (or expenses) in the funds.

Nonreciprocal interfund activity is flows of assets between funds without an equivalent flow of assets in return or without a requirement for repayment are reported as transfers in governmental funds and nonoperating revenues and expenses in proprietary funds.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Unearned Revenue

Unearned revenue is reported when the County receives cash payments prior to satisfying all the eligibility requirements necessary to recognize these payments as revenue. The revenue will be recognized in the fiscal year it is earned. Unearned revenue is reported as a liability in the fund financial statements. The amounts recorded in unearned revenue include items such as Federal and State grant payments and employee health insurance premium payments received that are related to a future period.

Deposits

Deposit liability is reported when the County receives money from individuals or companies that the County will have to refund in the future. The amounts recorded as deposit liabilities include items such as security deposits, tax deed deposits, subdivision cash maintenance and/or performance bonds, and prepaid utility connection credits.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan and Health Insurance Subsidy program and additions to/deductions from the plans' fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

Deferred outflows/inflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents the consumption of net assets that applies to future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The County has three items that qualify for reporting in this category, deferred bond refunding charges, pension-related, and Other Postemployment Benefits Other Than Pensions (OPEB)- related.

In addition to liabilities, the statement of financial position and balance sheet – governmental funds will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The County has only three types of items that qualify for reporting in this category: lease related, pension-related, and Other Postemployment Benefits Other Than Pensions (OPEB)-related.

Miscellaneous Revenue

Miscellaneous revenue includes rents, royalties, proceeds from sale of surplus items, contributions and donations, refunds for prior year (non-capital) expenditures and any other revenue that does not fit into one of the other categories.

Landfill Closure Costs

The County recognizes municipal solid waste landfill closure and post-closure care costs under the State of Florida's Solid Waste Management Act of 1988, regulations of the Federal Environmental Protection Agency, and GASB Statement No. 18, "Accounting for Municipal Solid Waste Landfill Closure and Post-closure Care Costs." The County is required to place a final cover on closed landfills and to provide long-term care for up to thirty years after final cover. These obligations for closure and post-closure are recognized in the enterprise fund for the County's sanitary landfill operations over the active life of the landfill, based on capacity. See notes 7 and 8 for additional information.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Fund Balance Reported

The County implemented GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* effective October 1, 2010. This GASB Statement clarifies governmental fund balance classifications and fund-type definitions. Fund balances are reported in classifications based on whether the amounts are non-spendable or spendable. Spendable amounts are further classified based on the extent to which there are external and/or internal constraints in how fund balance amounts may be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

Non-spendable Fund Balance – Non-spendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of the other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the County's highest decision-making authority, which is an ordinance. Committed amounts cannot be used for any other purpose unless the County removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the County's intent to be used for specific purposes but are neither restricted nor committed. Intent is expressed by (a) the board of county commissioners or (b) a body or official to which the board of county commissioners has delegated the authority to assign amounts to be used for specific purposes. At this time, the commission has not delegated the authority.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The fund balance categories of the governmental funds are shown on the face of the Balance Sheet Governmental Funds in the Fund Financial Statements. The County uses restricted amounts first when both restricted and unrestricted fund balances are available, then committed, then assigned and finally unassigned.

Net Position

The government-wide and business-type fund financial statements utilize a net position presentation. Net position is displayed as three components:

Net investment in capital assets represents capital assets, net of accumulated depreciation, reduced by the outstanding balances of bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvements of those assets. Also included in the calculation are related bond premiums and discounts and the deferred outflows or inflows of resources of refunding of bonds. Of the \$313,770,894 Governmental Activities Net Investment in Capital Assets on the Statement of Net Position, capital-related debt is net of \$970,352 of unspent debt proceeds and includes \$3,371,798 of contracts and retainage payable.

Restricted net position consists of net position with constraints placed on their use by external groups such as creditors, grantors, contributors or laws or regulations of other governments. Typically, the restricted net position is depleted before unrestricted net position is applied.

Unrestricted net position represents the net amount of the County's assets, deferred outflows, liabilities, and deferred inflows that are not included in the calculation of net investment in capital assets or restricted net position. It is the residual component of net position, often viewed as the resources available to finance future operations, pay debt, or manage liquidity.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies: (continued)

Use of Estimates

The preparation of financial statements, in accordance with GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recent Accounting Pronouncements:

The Governmental Accounting Standards Board (GASB) has issued several pronouncements with effective dates that may impact future financial statements. Listed below are pronouncements with required implementation dates effective for subsequent fiscal years that have not yet been implemented. Management has not currently determined what, if any, impact the implementation of the following will have on the County's financial statements:

- GASB Statement No. 103, *Financial Reporting Model Improvements*, in April 2024. The objective of GASB 103 is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The effective date for implementation is fiscal years beginning after June 15, 2025, and all reporting periods thereafter. The County has attempted to implement portions of GASB 103; however, full implementation of this statement is not anticipated to be completed prior to the required fiscal year ending September 30, 2026.
- GASB Statement No. 104, *Disclosure of Certain Capital Assets*, issued September 2024, which is to provide users of government financial statements with essential information about certain types of capital assets. The requirements of this Statement are effective for fiscal years beginning after June 15, 2025. The County will be required to implement this statement for the fiscal year ending September 30, 2026.
- GASB Statement No. 105, *Subsequent Events*, issued December 2025. The objective of this Statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statements users. The County will be required to implement this statement for the fiscal year ending September 30, 2027.

NOTE 2 – Cash Deposits and Investments:

Deposits:

Any bank balance in excess of FDIC insurance is covered by collateral held by the County's custodian banks which is pledged to a state trust fund that provides security in accordance with the Florida Security for Public Deposits Act, Chapter 280, Florida Statutes.

The Florida Security for Public Deposits Act established guidelines for qualification and participation by banks and savings associations, procedures for the administration of the collateral requirements and characteristics of eligible collateral. Under the Act, the qualified public depository must pledge at least 50 percent of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance. Additional collateral, up to a maximum of 125 percent, may be required if deemed necessary under the conditions set forth in the Act. Obligations pledged to secure deposits must be delivered to the State Chief Financial Officer or, with the approval of the State Chief Financial Officer, to a bank, savings association, or trust company, provided a power of attorney is delivered to the Chief Financial Officer.

As of September 30, 2025, the County had the following cash deposits balances:

	Maturity Date	Carrying Amounts
Cash and cash equivalents	N/A	\$ 34,128,368
Cash and cash equivalents with trustee	N/A	7,905,850
Cash and cash equivalents with fiscal agent	N/A	22,017
Total		\$ 42,056,235

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 2 – Cash Deposits and Investments (continued):

Investments:

Flagler County’s investment policy is pursuant to Section 218.415, Florida Statutes that updated permitted investments, asset allocation limits, issuer limits, credit ratings requirements, and maturity limits to protect the County’s cash and investment assets. The County maintains a common cash and investment pool for the use of all funds.

Section 218.415, Florida Statutes, limits the types of investments that a government can invest in unless specifically authorized in an investment policy.

The County’s investment policy allows for the following investments: U.S. Treasury & Government Guaranteed, Federal Agency/GSE, Corporates, Municipals, Agency Mortgage-Backed Securities, Asset-Backed Securities, Non-Negotiable Certificate of Deposit and Savings Accounts, Commercial Paper, Banker’s Acceptances, Repurchase Agreements, Money Market Funds, Local Government Investment Pools and The Florida Local Government Surplus Funds Trust Funds (“Florida Prime”).

As of September 30, 2025, the County had the following investment types and weighted average duration presented in terms of years:

<u>Security Type</u>	<u>Fair Value</u>	<u>Weighted Average Maturity</u>
FL Public Assets for Liquidity Management (FL PALM)	\$ 67,828,000	0.12 years
US Bank Business Money Market	500,701	0.12 years
U.S. Treasury Bill	10,067,080	0.08 years
U.S. Treasury Bond / Note	23,146,822	1.88 years
Federal Agency Commercial Mortgage-Backed Security	3,230,271	1.49 years
Federal Agency Discount Note	4,991,605	0.04 years
Commercial Paper	14,811,565	0.30 years
Corporate Note	5,240,547	1.74 years
Asset - Backed Security	5,884,556	1.53 years
TOTAL	<u><u>\$ 135,701,147</u></u>	<u><u>0.59 years</u></u>

A Money Market Fund’s duration is based on weighted average duration in days. Information source for PFM Funds Prime Series (FL Palm) money market fund’s weighted average duration was September 30, 2025, Fund Fact Sheet. First American Funds report was the source for the US Bank Business Money Market Fund’s weighted average duration.

Under GASB Codification Section 150: *Investments*, if a participant has an investment in a qualifying external investment pool that measures for financial reporting purposes all of its investments at amortized cost, it should disclose the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum transaction amounts, and the qualifying external investment pool’s authority to impose liquidity fees or redemption gates) in notes to the financial statements.

As of September 30, 2025, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit the County’s access to 100 percent of its account value in the Florida Palm external investment pool.

The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles (GAAP). The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical Assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The County has the following recurring fair value measurements as of September 30, 2025:

- Federal Instrumentalities Discount Notes – Valued using quoted market prices.
- U.S. Treasury Notes – Valued using quoted market prices.
- Money Market Funds – Valued using quoted market prices.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 2 – Cash Deposits and Investments: (continued)

The following table summarizes the County’s assets (and liabilities) for which fair values are determined on a recurring basis:

	Quoted Prices in Active Markets for Identical Assets	Significant Other Observable Inputs	Significant Unobserv- able Inputs
Fair Value	(Level 1)	(Level 2)	(Level 3)
Investments by Fair Value Level:			
US Bank Business Money Market	\$ 500,701	\$ 500,701	\$ -
U.S. Treasury Bill	10,067,080	10,067,080	-
U.S. Treasury Bond / Note	23,146,822	23,146,822	-
Federal Agency Commercial Mortgage-Backed Security	3,230,271	-	3,230,271
Federal Agency Discount Note	4,991,605	-	4,991,605
Commercial Paper	14,811,565	-	14,811,565

The FL Public Assets for Liquidity Management (FL PALM) is reported at amortized cost in accordance with GASB 79.

A. Interest Rate Risk

The County’s investment policy sets limits for investment maturities to match known cash needs and anticipated cash flow requirements. Investments of current operating funds shall have maturities of no longer than twenty-four (24) months. Investments of bond reserves, construction funds, and other non-operating funds, “core funds”, shall have a term appropriate to the need for funds and in accordance with debt covenants. The purchase of investments for core funds with maturities longer than five (5) years requires the Clerk’s approval prior to purchase. The maturities of the underlying securities of a repurchase agreement will follow the requirements of the Master Repurchase Agreements. The County utilizes “weighted average duration” as a measurement of interest rate risk and as of September 30, 2025, the investment portfolio had a weighted average duration of 0.59 years.

The County has no Federal Instrumentalities that have embedded options consisting of the option at the discretion of the issuer to call their obligation or pay a stated increase in the interest rate.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 2 – Cash Deposits and Investments: (continued)

B. Credit Risk

The County’s investment policy permits the following investments, which have minimum rating requirements and shall only purchase securities from financial institutions, which are qualified as public depositories by the Treasurer, or Chief Financial Officer of the State of Florida, “Primary Dealers” as designated by the Federal Reserve Bank of New York, or from direct issuers of commercial paper and bankers’ acceptances.

In addition, institutions designated as “Primary Dealers” by the Federal Reserve Bank of New York, direct issuers of commercial paper and bankers’ acceptances, or approved non-primary dealers. Corporate notes, at the time of purchase, should have a minimum rating requirement of Highest ST or Three Highest LT Rating Categories (A-1/P-1, A-/A3, or equivalent).

Municipals, at the time of purchase, should have a minimum rating requirement of Highest ST or Three Highest LT Rating Categories (SP-1/MIG 1, A-/A3, or equivalent).

Asset-Backed Securities, at the time of purchase, should have a minimum rating requirement of Highest ST or LT Rating (A-1+/P-1, AAA/Aaa, or equivalent).

Commercial Paper and Bankers’ Acceptance, at the time of the purchase, should have a minimum rating requirement of Highest ST Rating Category (A-1/P-1, or equivalent).

Repurchase Agreements, at the time of purchase, should have a minimum rating requirement of counterparty (or if the counterparty is not rated by an NRSRO, then the counterparty’s parent) must be rated in the Highest ST Rating Category (A-1/P-1, or equivalent). If the counterparty is a Federal Reserve Bank, no rating is required.

Money Market Funds, at the time of purchase, should have a minimum rating requirement of Highest Fund Rating by all NRSROs who rate the fund (AAAm/Aaa-mf, or equivalent).

Intergovernmental Pools, at the time of purchase, should have a minimum rating requirement of Highest Fund Quality and Volatility Rating Categories by all NRSROs who rate the fund, (AAAm/AAAf, S1, or equivalent).

Florida Local Government Surplus Funds Trust Funds (“Florida Prime”), at the time of purchase, should have a minimum rating requirement of Highest Fund Rating by all NRSROs who rate the fund (AAAm/Aaa-mf, or equivalent).

As of September 30, 2025, the County had the following credit exposure as a percentage of total investments:

<u>Security Type</u>	<u>Standard & Poor's Rating</u>	<u>Portfolio Asset Allocation</u>
FL Public Assets for Liquidity Management (FL PALM)	AAAm	49.98%
US Bank Business Money Market	AAAm	0.37%
Commercial Paper	A-1	10.91%

NOTE 2 – Cash Deposits and Investments: (continued)

C. Custodial Credit Risk

The County's investment policy, pursuant to Section 218.415, Florida Statutes, requires securities, with the exception of certificates of deposits, shall be held with a third-party custodian; and all securities purchased by, and all collateral obtained by the County should be properly designated as an asset of the County. The securities must be held in an account separately and apart from the assets of the financial institution. A third-party custodian is defined as any bank depository chartered by the Federal Government, the State of Florida, or any other state or territory of the United States which has a branch or principal place of business in the State of Florida, or by a national association organized and existing under the laws of the United States which is authorized to accept and execute trusts and which is doing business in the State of Florida.

As of September 30, 2025, the County's investments were held with a third-party custodian as required by the County's investment policy.

D. Concentration of Credit Risk

The County's investment policy has established asset allocation and issuer limits on the following investments, which are designed to reduce concentration of credit risk of the County's investment portfolio.

A maximum of 100% of available funds may be invested in the U.S. Treasury, 75% of available funds may be invested in Federal Agency/GSE with a 40% limit per issuer, 20% of available funds may be invested in Corporates with a 5% limit on individual issuers, 25% of available funds may be invested in Municipals with a 5% limit on individual issuers, 25% of available funds may be invested in Agency Mortgage Backed Securities with a 40% limit per issuer, 25% of available funds may be invested in Asset-Backed Securities with a 5% limit per issuer, 50% of available funds may be invested in Non-Negotiable Certificate of Deposit and Savings Accounts with a 25% limit on individual issuers, 35% of available funds may be invested in Commercial Paper with a 5% limit per issuer, 10% of available funds may be invested in Bankers' Acceptances with a 5% limit on individual issuers, 40% of available funds may be invested in Repurchase Agreements with a 20% limit per issuer, 50% of available funds may be invested in Money Market Funds with a 25% limit on individual issuers, 75% of available funds may be invested in Intergovernmental Pools with a 100% of LGIP investment is held with 1 issuer, and a maximum of 25% may be invested in Florida Local Government Surplus Funds Trust Funds ("Florida Prime").

As of September 30, 2025, the County had the following issuer concentration based on fair value:

<u>Security Type</u>	<u>Fair Value</u>	<u>Portfolio Asset Allocation</u>
FL Public Assets for Liquidity Management (FL PALM)	\$ 67,828,000	49.90%
US Bank Business Money Market	500,701	0.40%
U.S. Treasury Bill	10,067,080	7.40%
U.S. Treasury Bond / Note	23,146,822	17.10%
Federal Agency Commercial Mortgage-Backed Security	3,230,271	2.40%
Federal Agency Discount Note	4,991,605	3.70%
Commercial Paper	14,811,565	10.90%
Corporate Note	5,240,547	3.90%
Asset - Backed Security	5,884,556	4.30%
TOTAL	\$ 135,701,147	100.00%

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 3 – Property Taxes:

Under Florida law, the assessment of all properties and the collection of all County, municipal and school board property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws of the State regulating tax assessment are also designed to assure a consistent property valuation method statewide. State Statutes permit counties to levy property taxes at a rate of up to 10 mills.

The tax levy of the County is established by the Board prior to October 1 of each year, and the Tax Collector incorporates the millages into the total tax levy, which includes the municipalities, independent districts, and the County School Board tax requirements.

All property is assessed according to its fair market value on January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the roll meets all the appropriate requirements of State Statute.

All taxes are due and payable on November 1 of each year or as soon thereafter as the assessment roll is certified and delivered to the Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for every payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. Taxes paid in March are without discount.

On or prior to June 1 following the tax year, certificates are sold for all delinquent taxes on real property. Delinquent taxes on real property bear interest at 18% per year or as bid in a public sale of tax certificates.

Application for a tax deed on any unredeemed tax certificates may be made by the certificate holder after a period of two years. Unsold certificates are held by the County.

Delinquent taxes on personal property bear interest at 18% per year until the tax is satisfied either by seizure and sale of the property or by the five-year statute of limitations.

Key dates in the property tax cycle are as follows:

Beginning of fiscal year for which taxes have been levied	October 1
Property taxes levied	October 1
Assessment roll certified	October 15
Tax bills issued	November 1
Property taxes due by:	
For maximum discount	November 30
Delinquent after	March 31
Tax certificates (liens) sold on unpaid property taxes	May 31

NOTE 4 – Allowance for Doubtful Accounts:

Accounts receivables are reported net of an allowance for uncollectible accounts of \$1,554,188 in the General Fund, \$13,777 in the Airport Enterprise Fund and \$123,303 in the Waste Management Enterprise Fund.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 7 - Long-Term Debt:

The balance of bonds and notes payable as of September 30, 2025, are as follows:

Bonds and Notes Payable for Governmental Activities

General Obligation Refunding Bonds, Series 2015, with an original face value of \$25,500,000 were issued March 2015, to current refund all the County's outstanding General Obligation Bonds, Series 2005 along with closing costs incurred. This current refunding resulted in a reduction in total debt service payments over 20 years of approximately \$3,892,300 and an economic gain of approximately \$2,966,000. Interest is paid at 3.300%. The bonds are general obligations of the County. The payment of principal and interest on the bond is payable from and secured by a pledge of ad valorem taxes on all taxable property within the County. Principal payments are due on July 1. Interest payments are due on January 1 and July 1 of each year. Maturity is July 1, 2035. \$ 15,110,000

Limited Ad Valorem Tax Refunding Bond, Series 2016 with an original face value of \$11,380,000 were issued April 26, 2016, to advance refund a portion of Limited General Obligation Bonds, Series 2009 and Limited General Obligations Bonds, 2010 along with closing costs incurred. This current refunding resulted in a reduction of total debt service payments over 20 years of approximately \$1,736,664 and an economic gain of approximately \$1,064,591. Interest is paid at 2.190%. The bonds are limited obligations of the County. The payment of principal and interest on the bond is payable from and secured by a pledge of ad valorem taxes at a rate not to exceed 0.250 mill per year on all taxable property within the County. Principal payments are due on July 1. Interest payments are due on January 1 and July 1 of each year. Maturity is July 1, 2029. 4,410,000

Capital Improvement Non-Ad Valorem Refunding Revenue Bonds, Series 2024, with an original face value of \$24,965,000, were issued in January 2025 to advance refund all the County's outstanding Capital Improvement and Refunding Revenue Bonds, Series 2015, and to pay the costs of issuing the Series 2024 Bonds, including an underwriting discount. Series 2015 was issued to refund Series 2005, originally issued to finance the costs of acquisition, construction, and equipping a consolidated Sheriff's Operations Center and expansion of the County's correctional facility. This advance refunding resulted in a reduction of total debt service payments over 10 years of approximately \$1,437,355 and an economic gain of approximately \$1,159,385. The bonds are special obligations of the County. The payment of principal and interest on the bond is payable from Non-Ad Valorem revenues generated in the County's General Fund. Principal payments are due on September 1. Interest payments are due on March 1 and September 1 each year. Maturity is October 1, 2035. 22,345,000

Taxable Special Assessment Revenue Note, Series 2018A - was issued March 20, 2018, in the amount of \$1,520,000 to finance the cost of its new vinyl seawall with concrete cap to protect adjacent homes along the Painters Hill Shoreline. Interest is paid at a fixed rate of 3.94%. Payments of principal and interest are due on July 1 and January 1 each year. Maturity is July 1, 2033. The County, in its annual budget, budgeted and appropriated Special Assessment Tax Funds sufficient to pay the principal and interest on this Note. 604,210

Capital Improvement Revenue Note, S2020 - issued December 14, 2020, not to exceed \$20,000,000, for the purpose of financing the design, construction and other costs of certain public safety capital projects. Interest is paid at a fixed rate equal to 1.83%. The payment of principal and interest on the note is payable from Non-Ad Valorem Revenues received by the County. Principal payments are due on October 1. Interest payments are due on April 1 and October 1 each year. The maturity date of the note is October 1, 2035. 16,250,000

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 7 - Long-Term Debt: (continued)

Bonds and Notes Payable for Governmental Activities (continued)

Master Equipment Purchase Agreement - was issued on December 2, 2019, in the amount of \$13,758,000 to lower the interest rate of funding a new Public Safety Communications Network. The County refunded the outstanding Master Equipment Lease/Purchase agreement dated May 24, 2018, consisting of two separate leases. Schedule 2 represents Public Safety Equipment lease – Radios and Software in the amount of \$5,241,000, previous interest was a fixed rate of 3.30%, new rate is 1.985%. Schedule 3 represents Public Safety Equipment Lease - Infrastructure in the amount of \$8,517,000, previous interest at a fixed rate of 3.42%, new rate is 2.384%. Principal payments for Schedule No. 2 will be made annually commencing December 1, 2020, through December 1, 2029. Principal payments for Schedule No.3 will be made annually commencing December 1, 2020, through December 1, 2035. The interest payments commence on June 1, 2020, and the remaining interest is payable semiannually on June 1 and December 1 of each year through the respective terms of each schedule. The County, in its annual budget, budgeted and appropriated Ad Valorem Funds and user fees sufficient to pay the principal and interest on the Leases. The net book value (NBV) as of September 30, 2021, was \$10,486,502. 9,258,000

Master Equipment Purchase Agreement (Helicopter) - was issued on December 8, 2023, in the amount of \$2,273,000. Reference is made to that certain Schedule of Property No. 4, dated December 8, 2023, to Master Equipment Lease/Purchase Agreement dated as of February 23, 2017, between Lessor and Lessee (hereinafter referred to as the “Lease”), covering the acquisition and lease of certain Equipment described therein (the “Equipment”). It is a requirement of the Lease that the Acquisition Amount in the amount of \$2,245,000 (which represents the total Lease amount of \$2,273,000 less costs of issuance to be paid at closing) be deposited into a segregated escrow account under terms satisfactory to Lessor, for the purpose of fully funding the Lease, and providing a mechanism for the application of such amounts to the purchase of and payment for the Equipment. Maturity is August 1, 2033. 1,898,000

Equipment Purchase Agreement – was executed on February 11, 2022, to purchase law enforcement vehicles and related equipment. Interest is paid at a rate of 1.976%. The loan amount is \$500,000 and the maturity date is February 11, 2026. 64,671

Equipment Purchase Agreement – was executed on September 27, 2022, to purchase law enforcement vehicles and related equipment. Interest is paid at a rate of 3.29%. The loan amount is \$1,200,000 and the maturity date is September 27, 2026. 314,547

Equipment/Lease Purchase Agreement – was executed on May 9, 2023, to purchase law enforcement vehicles and related equipment. Interest is paid at a rate of 4.38%. The loan amount is \$1,900,000 and the maturity date is May 9, 2027. 833,067

Equipment/Lease Purchase Agreement – was executed on September 24, 2025, to purchase law enforcement vehicles and related equipment. Interest is paid at a rate of 4.46%. The loan amount is \$900,000 and the maturity date is September 24, 2029. 900,000

Bonds and notes payable for governmental activities **\$ 71,987,495**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 7 - Long-Term Debt: (continued)

Notes Payable for Business-Type Activities

Taxable Airport Revenue Note, Series 2015 - was issued in March 2015 in the amount of \$2,850,000 to finance the purchase of two buildings located on to the County Airport. Interest is paid at a rate of 3.900%. Payments of principal and interest are due on January 1, April 1, July 1 and October 1 each year. Maturity is April 1, 2030. Principal and interest payments are to be made from revenues derived from leases and rents from tenants of the buildings. On January 6, 2017, the interest rate was reduced to 3.47%. \$ 1,087,000

Taxable Airport Refunding Revenue Note, Series 2015B - was issued on July 2015 in the amount of \$2,437,000 to refund the County's taxable capital improvement note issued to finance improvements to the County Airport. Interest is paid at a rate of 4.25%. Principal payments are due February 1. Interest payments are due on August 1 and February 1 of each year. Maturity is February 1, 2030. Principal and interest are payable from net revenues received by the Airport. On January 6, 2017, the interest rate was reduced to 3.47%. 994,000

Capital Improvement Revenue Note, S2024A - was issued December 18, 2024, not to exceed \$1,455,000 for the purpose of financing certain improvements to the Flagler County Airport, including the acquisition, construction and equipping of (i) a fixed-base operator building, which will contain office space, a meeting area, and leasable space; and (ii) a roundabout (collectively, the "2024A Project"). Interest is paid at a fixed rate equal to 3.98%. The payment of principal and interest on the note is payable from Non-Ad Valorem Revenues received by the County. Principal payments are due on August 1. Interest payments are due on February 1 and August 1 each year. The maturity date of the note is August 1, 2034. 1,430,000

Capital Improvement Revenue Note, S2024B - was issued December 18, 2024, not to exceed \$535,000 for the purpose of financing certain improvements to the Flagler County Airport, including the acquisition, construction and equipping of additional T-Hangars (the "2024B Project". Interest is paid at a fixed rate equal to 5.13%. The payment of principal and interest on the note is payable from Non-Ad Valorem Revenues received by the County. Principal payments are due on October 1. Interest payments are due on February 1 and August 1 each year. The maturity date of the note is August 1, 2034. 510,000

Subscription liability	188	-	93	95	95
Total business-type activity long-term obligations	<u>3,596,921</u>	<u>2,255,363</u>	<u>765,203</u>	<u>5,087,081</u>	<u>627,494</u>
Total long-term liabilities	<u>\$ 217,503,851</u>	<u>\$ 53,975,630</u>	<u>\$ 72,315,282</u>	<u>\$ 199,164,199</u>	<u>\$ 18,054,126</u>

Note: The reductions representing lease and subscription liabilities of \$1,960,787 in the table above do not match with the total amount showing as principal repayments to leases and subscriptions of \$1,629,559 shown on the "Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances to the Statement of Activities" on page 20 of this report. The difference of \$331,228 is due to reductions in liabilities from the termination and remeasurements of leases and subscriptions during the fiscal year.

On December 1, 2000, the County early retired four bond issues including accrued interest. These bonds were retired pursuant to an interlocal agreement, as amended (the Agreement), between Flagler County and several municipal corporations within Flagler County. Payment for the retirement of these bonds was made from the Landfill Debt Service Fund and the Landfill Capital Projects Fund in accordance with the Agreement.

The Agreement also required the establishment of reserves in the following amounts:

	Amount originally reserved	Amount used as of September 30, 2025	Remaining balance, September 30, 2025
Future landfill capital purchases	\$ 1,225,758	-	\$ 1,225,758

The County is no longer required to meet the reserve requirement of monitoring existing and future landfills.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 7 - Long-Term Debt: (continued)

The remaining balance as of September 30, 2025, is included in equity on the accompanying statement of net position and balance sheet as follows:

Enterprise funds:	
Net position restricted for future capital outlay	<u>\$ 1,225,758</u>

Obligation for Bond Arbitrage Rebate – Pursuant to the U.S. Internal Revenue Code, the County must rebate to the United States Government the excess of interest earned from the investment of certain bond proceeds and pledged revenues over the yield rate of the applicable debt. Arbitrage rebate, if any, is due and payable on each five-year anniversary of the respective debt issue. As of September 30, 2025, there was no arbitrage due.

NOTE 8 - Landfill Closure and Post-closure Costs:

State and federal laws and regulations require the County to place a final cover on the Construction and Demolition Debris Landfill (C&D) Landfill when closed and to perform certain maintenance and monitoring functions at the landfill site for five years after closure. The C&D Landfill facility was closed in April 2006. All the costs accrued for post-closure care have been amortized.

The County is no longer required by state and federal laws and regulations to establish escrow accounts for closure and post closure costs of the three landfills.

NOTE 9 – Right-to-Use Lease Assets:

GASB Statement No. 87, Leases established a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset (RTU), and a lessor is required to recognize a lease receivable and a deferred inflow of resources. The County implemented this Statement and its various provisions effective October 1, 2021.

County as Lessee

Leases payable - The County leases computers, office equipment, vehicles, land and buildings, and determines if an arrangement is a lease at inception. The County recognizes intangible right-to-use (RTU) assets and corresponding lease liabilities for all leases not considered short-term. RTU assets represent the County's right-to-use an underlying asset for the lease term, and lease liabilities represent the County's obligation to make lease payments arising from the lease. RTU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term.

Basis of lease classification - Leases that meet the following requirements will not be considered short term: the maximum possible lease term is: (1) non-cancelable by both lessee and lessor, and (2) is more than 12 months.

Discount rate - Unless explicitly stated in the lease agreement, known by the County, or the County is able to determine the rate implicit within the lease, the discount rate used to calculate lease right-to-use assets and liabilities will be the County's incremental borrowing rate (IBR), which will be the rate utilized for the subsequent fiscal year. The discount rate for the current fiscal year ending September 30, 2025, was calculated to be 3.11%, applicable to new leases at inception. The County's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 9 – Right-to-Use Lease Assets: (continued)

The principal and interest requirements to maturity for the lease liability as of September 30, 2025, are projected to be as follows:

Governmental Activities:			
<u>Year Ending September 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total Payments</u>
2026	\$ 910,576	\$ 87,018	\$ 997,594
2027	873,941	59,548	933,489
2028	623,379	34,231	657,610
2029	373,784	19,842	393,626
2030	205,247	10,518	215,765
2031-2035	230,501	21,419	251,920
2036-2040	13,131	69	13,200
Total Future Payments	<u>\$ 3,230,559</u>	<u>\$ 232,645</u>	<u>\$ 3,463,204</u>
Business-Type Activities:			
<u>Year Ending September 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total Payments</u>
2026	\$ 26,865	\$ 3,014	\$ 29,879
2027	27,695	2,185	29,880
2028	28,550	1,330	29,880
2029	22,001	485	22,486
2030	6,257	71	6,328
Total Future Payments	<u>\$ 111,368</u>	<u>\$ 7,085</u>	<u>\$ 118,453</u>

County as Lessor

Leases receivable - When engaged in long-term leasing activity as the lessor, the County recognizes a lease receivable and a deferred inflow of resources in the government-wide and governmental fund financial statements. At the commencement of a lease, the County initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the County determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The County uses its estimated incremental borrowing rate as the discount rate for leases. For Right-to-Use Lease Assets, that rate was 3.11% for the year ended September 30, 2025.
- The lease term includes the non-cancellable period of the lease. Lease receipts included in the measurement of the lease receivable are composed of fixed payments from the lessee.
- The County monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 9 – Right-to-Use Lease Assets: (continued)

The County has lease-related revenue for land and buildings it leases to various companies. The County recognized lease-related revenue during the year ended September 30, 2025, as follows:

Governmental Activities:	
Lease-related Revenue	
Lease Revenue	
Cell Tower/Antenna	\$ 21,088
Facility	114,165
Land	<u>100,057</u>
Total Lease Revenue	235,310

NOTE 10 – Right-to-Use Subscription-Based Information Technology Arrangements (SBITA):

Effective October 1, 2022, the County adopted the provisions of GASB Statement No. 96, Subscription-Based Information Technology Arrangements (SBITA). This Statement establishes criteria for the recognition of certain subscription-based technology agreements that results in a right-to-use subscription asset (intangible asset) and the recognition of a corresponding subscription liability. Additionally, the Statement requires the recognition of an outflow of resources for any discount on the subscription liability and for the amortization of capitalized outlays other than subscription payments, to include implementation costs.

The County calculates its estimated incremental borrowing rate each fiscal year, and this rate is fixed at the time of inception to SBITA agreements – the rate of 3.11 percent was applied to new SBITA agreements entered into during the fiscal year ended September 30, 2025. As of September 30, 2025, total SBITA assets and related accumulated amortization, disclosed separately from other capital assets are as follows:

Future principal and interest payments required for this arrangement are as follows as of September 30, 2025:

Governmental Activities:

<u>Year Ending September 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total Payments</u>
2026	\$ 385,526	\$ 89,101	\$ 474,627

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 11 – State of Florida Pension Plans:

Defined Benefit Pension Plan

The County participates in two defined pension plans that are administered by the State of Florida, Department of Management Services Division of Retirement. The plans provide retirement, disability or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida Legislature. The State of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans. That report is available from the State of Florida Department of Management Services website (www.dms.myflorida.com).

The Florida Retirement System (FRS) Pension Plan is a cost-sharing, multiple-employer defined benefit pension plan with a Deferred Retirement Option Program (DROP) available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the FRS Pension Plan. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state college, or district school board, unless restricted from FRS membership under Sections 121.053 or 121.122, Florida Statutes, or allowed to participate in a defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools and metropolitan planning organizations is optional.

The Retiree Health Insurance Subsidy (HIS) Program is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with Section 112.363, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the HIS Program. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. To be eligible to receive a HIS benefit, a retiree under a state administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

Benefits Provided

Benefits under FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal year's earnings. The total percentage value of the benefit received is determined by calculating the total value of all services, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45, and the maximum payment is \$225 per month, pursuant to Section 112.363, *Florida Statutes*, effective July 1, 2023.

Contributions

The contribution requirements of plan members and the County are established and may be amended by the Florida Legislature. Employees are required to contribute 3% of their salary to the FRS. The County's contribution rates as of September 30, 2025, are as follows:

	<u>FRS</u>	<u>HIS</u>
Regular Employees	12.03%	2.00%
Elected County Officials	52.57%	2.00%
Senior Management	31.24%	2.00%
Special Risk	33.19%	2.00%
Deferred Retirement Option Programs (DROP) Employees	20.02%	2.00%

The County's contributions to FRS and HIS for the year ending September 30, 2025, were \$13,260,596 to the FRS and \$1,358,491 to the HIS.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 11 – State of Florida Pension Plans: (continued)

Pension Liabilities and Pension Expense

In its financial statements for the year ended September 30, 2025, the County reported a liability for its proportionate share of the net pension liabilities. The net pension liabilities were measured as of June 30, 2025. The County's proportion of the net pension liabilities were based on the County's share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	<u>FRS</u>	<u>HIS</u>
Net Pension Liability	\$ 72,143,522	\$ 19,082,040
Proportion at:		
Current measurement date	0.2325%	0.1489%
Prior measurement date	<u>0.2259%</u>	<u>0.1422%</u>
Increase/(decrease) in proportionate share	<u>0.0066%</u>	<u>0.0067%</u>
Pension expense (benefit)	<u>\$ 9,723,217</u>	<u>\$ 1,006,473</u>

The General Fund typically has been used in prior years to liquidate net pension liability.

Deferred Outflows/Inflows of Resources Related to Pensions

As of September 30, 2025, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>FRS</u>		<u>HIS</u>	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 7,705,688	\$ -	\$ 113,907	\$ 30,270
Changes in assumptions	8,377,737	-	168,897	4,615,457
Net difference between projected and actual earnings on pension plan investments	-	12,045,089	-	15,882
Changes in proportion and differences between employer contributions and proportionate share of contributions	8,132,664	1,994,558	2,390,132	574,745
Employer contributions subsequent to the measurement date	3,582,506	-	325,934	-
TOTALS	<u>\$ 27,798,595</u>	<u>\$ 14,039,647</u>	<u>\$ 2,998,870</u>	<u>\$ 5,236,354</u>

The above amounts for deferred outflows of resources for contributions related to pensions resulting from County contributions after the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2025.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 11 – State of Florida Pension Plans: (continued)

Other pension-related amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

Year ending September 30,	<u>FRS</u>	<u>HIS</u>
2026	\$ 13,786,132	\$ (392,450)
2027	447,257	(641,098)
2028	(1,958,685)	(541,682)
2029	(2,098,262)	(605,527)
2030	-	(382,661)
TOTAL	<u>\$ 10,176,442</u>	<u>\$ (2,563,418)</u>

Actuarial Assumptions

The total pension liability for each of the defined benefit plans was measured as of June 30, 2025. The total pension liability for FRS Pension Plan and the HIS Plan was determined by actuarial valuations dated July 1, 2025. The individual entry age normal actuarial cost method was used for each plan, along with the following significant actuarial assumptions:

	<u>FRS</u>	<u>HIS</u>
Inflation	2.40%	2.40%
Salary increases, including inflation	3.50%	3.50%
Investment rate of return	6.70%	N/A
Discount rate	6.70%	5.20%

Mortality assumptions for both plans were based on the PUB-2010 base table varies by member category and sex, projected generationally with Scale MP-2021.

The actuarial assumptions that determined the total pension liability as of June 30, 2025, were based on the results of an actuarial experience study for the period July 1, 2018, through June 30, 2023.

The following changes in key assumptions occurred in 2025:

FRS and HIS: The payroll assumed growth rate, including inflation, stayed steady at 3.50%.

HIS: The municipal bond index rate and the discount rate used to determine the total pension liability increased from 3.93% to 5.20%.

The long-term expected investment rate of return assumption for the FRS Pension Plan was based on two building block components: 1) a long-term average annual inflation assumption of 2.40% as adopted in October 2025 by the FRS Actuarial Assumption Conference; and 2) an inferred real (in excess of inflation) return of 4.20%. Geometrically combining those building blocks using the formula $(1 + .024) \times (1 + .042) - 1$ generates an expected nominal return of 6.70%. In the opinion of the FRS consulting actuary, both building block components and the overall 6.70% return assumption were determined to be reasonable and appropriate per Actuarial Standards of Practice. The 6.70% reported investment return assumption is the same as the investment return assumption chosen by the 2024 FRS Actuarial Assumption Conference for funding policy purposes. Each asset class assumption is based on a consistent set of underlying assumptions.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 11 – State of Florida Pension Plans: (continued)

For the FRS Pension Plan, the table below summarizes the consulting actuary’s assumptions based on the long-term target asset allocation. Each asset class assumption is based on a consistent set of underlying real return assumptions from the FRS consulting actuary’s model combined with the FRS Actuarial Assumption Conference’s 2.4% inflation assumption. The FRS consulting actuary’s assumptions are not based on historical returns but instead are based on a forward-looking capital market economic model.

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return
Cash	1.0%	3.2%	3.2%
Fixed income	29.0%	5.5%	5.4%
Global equity	45.0%	8.5%	6.9%
Real estate (property)	12.0%	8.4%	7.1%
Private equity	11.0%	12.4%	8.8%
Strategic investments	2.0%	6.5%	6.1%
	<u>100%</u>		

Discount rate

The discount rate used to measure the total pension liability for the FRS Pension Plan was 6.70%. The FRS’ fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees, therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS Program is essentially funded on a pay-as-you-go basis and the depletion date is considered to be immediate, a municipal bond rate of 5.20% was used to determine the total pension liability for the program. The Bond Buyer General Obligation 20-Year Municipal Bond Index was used as the applicable municipal bond index.

Sensitivity Analysis

The following tables demonstrate the sensitivity of the net pension liability to the changes in the discount rate. The sensitivity analysis shows the impact to the County’s proportionate share of the net pension liability if the discount rate was 1.00% higher or 1.00% lower than the current discount rate.

	FRS			
	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)	1% Decrease (4.20%)
Employer’s proportionate share of the net pension liability	\$ 141,580,548	\$ 72,143,522	\$ 13,928,523	\$ 21,518,074

Pension Plans’ Fiduciary Net Position

Detailed information about the pension plans’ fiduciary net position is available in the Plan’s separately issued financial reports.

Defined Contribution Plan

Pursuant to Chapter 121, Florida Statutes, the Florida Legislature created the Florida Retirement Investment Plan (“FRS Investment Plan”), a defined contribution pension plan qualified under Section 401(a) of the Internal Revenue Code. The FRS Investment Plan is an alternative available to members of the Florida Retirement System in lieu of the defined benefit plan. There is a uniform contribution rate covering both the defined benefit and defined contribution plans, depending on the class membership. Required employer contributions made to the plan during the year ended September 30, 2025, totaled \$2,878,360.

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 12 - Risk Management:

The County is exposed to various risks of loss related to torts; theft of or damage to and destruction of assets; errors and omissions; and natural disasters for which the County carries commercial insurance. There were no significant reductions in insurance coverage from prior years. For the past three years, there have been no insurance settlements significantly in excess of insurance coverage.

Employee life and health insurance is provided under an externally administered self-insured plan. Employees pay for the cost of health insurance coverage for family members. The County pays all administrative fees and purchases insurance to absorb losses in excess of \$225,000. Claims liabilities are reported at current dollar value and are comprised of unpaid claims on hand and a reserve for claims incurred but not reported. This estimate of approximately \$952,573 as of September 30, 2025, is based on historical experience, current trends and an actuarial study performed by an actuarial firm.

The self-insurance plan is accounted for in the Group Medical Benefit Internal Service Fund. The self-insurance plan includes employee and employer contributions totaling \$2,530,128 by the Constitutional Officers, excluding the Sheriff. Changes in the Fund's claims liability were as follows:

	Liability October 1	Claims incurred	Claims paid	Liability September 30
2024 - 2025	\$ 1,308,573	\$ 8,092,875	\$ 8,448,875	\$ 952,573
2023 - 2024	\$ 946,719	\$ 9,358,853	\$ 8,996,999	\$ 1,308,573

NOTE 13 - Interfund Balances and Transfers:

These balances represent loans between the borrower and the lender funds, resulting from the time lag between the dates interfund goods and services are provided or reimbursable expenditures occur. Advances are not expected to be collected within one year. On September 30, 2025, interfund balances consisted of:

	Due from other funds	Due to other funds
General Fund	\$ 9,415,061	\$ 4,614,967
Tourist Development Beach Restoration	1,344,165	2,156,245
General Capital Projects	991,365	325,877
Nonmajor Governmental Funds	749,657	6,666,229
Airport	6,448	28,938
Nonmajor business-type funds	19,303	53,629
Internal services fund	1,319,886	-
	\$ 13,845,885	\$ 13,845,885

The County makes routine transfers between its funds in the course of the fiscal year. The principal purposes of these transfers are to allocate resources for debt service, construction, or other capital projects, and to provide operating subsidies. These transfers are consistent with the activities of the funds involved. A summary of the transfers as follows:

	Transfer in	Transfer out
General fund	\$ -	\$ 5,315,375
Tourist Development Beach Restoration	4,485	-
General Capital Projects	437,140	-
Nonmajor governmental funds	5,859,216	3,076,972
Airport	-	28,930
Nonmajor business-type funds	94,960	35,160
Internal services fund	2,060,636	-
Total transfers	\$ 8,456,437	\$ 8,456,437

FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

NOTE 14 - Commitments and Contingencies:

The County is involved in various other litigation matters arising from the normal operations of a local government. At this stage of each legal proceeding, the County is unable to determine the outcome or estimate the potential liability, if any.

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the County expects such amount, if any, to be immaterial.

The County has active construction projects as of September 30, 2025. The Nexus Center (Library and Health & Human Services) project begun in the prior fiscal year has been completed and opened for business on December 4, 2025. Two new major projects are underway, including a dedicated Emergency Preparedness Facility and a Visitor Eco Discovery Center. As of September 30, 2025, the County's significant construction commitments are as follows:

	Total Adjusted Contract Amounts	Remaining Commitments
Nexus Center (Library and Health & Human Services)	\$ 16,708,003	\$ 2,028,382
General Aviation Terminal Facility	11,879,609	9,751,120
Flagler County Fire Administration Station 50	15,253,837	14,509,233
Flagler County Fire Station 51	10,364,235	9,784,545
SMA Men's Substance Abuse Treatment Facility	14,000,000	13,125,728
Visitor Eco Discovery Center	10,362,000	10,332,000
Multipurpose Emergency Preparedness Facility	10,000,000	9,538,726
	\$ 88,567,684	\$ 69,069,734

NOTE 15 - Other Postemployment Benefits:

In fiscal year 2018, the County implemented Governmental Accounting Standards Board (GASB) Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, which replaces the requirements of GASB Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and Statement No. 57, *OPEB Measurements by Agent Employers and Agent Multi-Employer Plans*, for OPEB.

As of October 1, 2022, the Flagler County Sheriff's Office separated coverage from the Flagler County Other Post-Retirement Benefit Program to become covered under the Flagler County Sheriff's Office Other Post-Retirement Benefits Program. Prior to the October 1, 2022, measurement, liabilities for the Sheriff's Office were included within amounts calculated for Flagler County. Each chart presented in this Note 15 is the total of the County and Sheriff's actuarial valuation reports.

Plan Description and Benefits Provided

The County offers a self-funded health insurance plan that provides health, prescription drugs, dental, and vision and life insurance coverage to its active employees, eligible retirees and dependents. This is a single employer defined benefit plan administered by the County. Per Section 112.0801, Florida Statutes, requires local governments to offer the same health and hospitalization insurance coverage to retirees and their eligible dependents as is offered to active employees at a premium cost of no more than the premium cost applicable to active employees. Full-time and regular part-time employees who work at least 20 hours per week are eligible to participate in the plan.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 15 - Other Postemployment Benefits (continued):

Employees who are eligible for Normal or Early retirement under FRS Pension Plan are eligible to participate in the plan. All employees of the FRS Pension Plan actively enrolled on or after July 1, 2001, through June 30, 2011, are vested upon completing six years of creditable service regardless of their membership class. Employees initially enrolled on or after July 1, 2011, are vested upon completing eight years of creditable service, regardless of their membership class.

For regular class, elected officers' class and senior management service class employees initially enrolled before July 1, 2011, vested and age 62 or after 30 years of creditable service regardless of age (may include optional service credit). For employees initially enrolled on or after July 1, 2011, vested and age 65 or after 33 years of creditable service regardless of age (may include optional service credit).

For special risk employees initially enrolled before July 1, 2011, six years of special risk service and age 55; or 25 total years of special risk service and age 52 (may include up to four years of military service); or 25 years of special risk service regardless of age; or 30 years of any creditable service (may include up to four years of military service). For employees initially enrolled on or after July 1, 2011, eight years of special risk services and age 60; or after 30 total years of special risk service and age 57 (may include up to four years of military service); or after 30 years of special risk service regardless of age; or after 33 years of any creditable service (may include optional service credit and service in other membership classes). Employees who become disabled in the line of duty are allowed to continue coverage. Retirees may cover spouses and eligible dependent children. Surviving spouses and eligible dependent children can continue coverage after retiree's death for up to 36 months by paying the COBRA rates. The Board of County Commissioners can amend the benefit provisions.

The County has not established a separate GASB compliant Trust Fund or equivalent arrangement into which the County would make contributions to advance fund the obligation. Benefits are currently paid out on a pay-as-you-go basis. Thus, no assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. The OPEB Plan does not issue a stand-alone report and is not included in the report of any other entity.

Employees Covered

On October 1, 2024, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefit payments	122
Inactive employees entitled to but not yet receiving benefit payments	-
Active employees	853
Total	975

Contributions (benefit payment reductions) to the OPEB Plan are shared by the retiree and the County. OPEB Plan participants must reimburse the County for the County's average blended cost. Contributions requirements of the County are established and may be amended through action by the Board.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 15 - Other Postemployment Benefits: (continued)

Total OPEB Liability and Changes in Total OPEB Liability

The measurement date for the County's total/net OPEB liability of \$7,374,483 was October 1, 2024, one year prior to the County's fiscal reporting date of September 30, 2025. The components of the County's changes in the Total OPEB liability reported as of September 30, 2025, are as follows:

<u>Total OPEB Liability (TOL)</u>	
Service Cost	\$ 448,776
Interest	355,390
Benefit Changes	-
Difference Between Actual and Expected Experience	827,916
Assumption Changes	3,336,284
Benefit Payments	<u>(298,272)</u>
Net Change in Total OPEB Liability	\$ 4,670,094
Total OPEB Liability (TOL) - beginning	<u>7,374,483</u>
Total OPEB Liability (TOL) - ending	<u><u>\$ 12,044,577</u></u>

Changes of assumptions and other inputs reflect a change in the discount rate from 4.63% at the beginning of the measurement period to 3.81% as of October 1, 2024.

Actuarial Assumptions and other inputs

The total OPEB liability reported at September 30, 2025, was based on an actuarial measurement dated October 1, 2024, using the following actuarial assumptions:

Inflation	2.40% - not explicitly used in valuation
Discount Rate	3.81%
Projected salary increases	3.25% - 9.30%
Healthcare cost trend rates	Based on the Getzen Model starting at 7.0% gradually decreasing to an ultimate rate of 3.9% in 2050
Retirees' share of benefit-related costs	100% of blended health insurance premium rates except by law 0% for certain conditions for Police Officers and Firefighters death and disability benefits

The discount rate was based on the Bond Buyer *20-Bond Go Index* as of the measurement date October 1, 2024.

The mortality rates are healthy members based on various PUB-2010 base tables, generational mortality using gender-specific MP-2018 mortality improvements projection scale. Disabled Employees based on various PUB-2010 Disabled mortality tables, generational mortality using gender-specific MP-2021 mortality improvement scales.

The experience study for the mortality, retirement, disability, salary scales and withdrawal actuarial assumptions used in this actuarial valuation are based on results of experience studies conducted by the Florida Retirement System (FRS) as of 2024.

**FLAGLER COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

NOTE 15 - Other Postemployment Benefits: (continued)

Sensitivity of Total OPEB liability to changes in discount rate

The following table presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current discount rate:

	<u>1% Decrease</u>	<u>Current Discount Rate</u>	<u>1% Increase</u>
Discount Rate	2.81%	3.81%	4.81%
Total OPEB Liability	\$ 13,481,723	\$ 12,044,577	\$ 10,813,651

Sensitivity of Total OPEB liability to changes in healthcare trend rate

The following table presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using a healthcare trend rate that is 1% lower or 1% higher than the current rate:

	<u>1% Decrease</u>	<u>Current Trend Rates</u>	<u>1% Increase</u>
Discount Rate	6.0% to 2.9%	7.0% to 3.9%	8.0% to 4.9%
Total OPEB Liability	\$ 10,545,504	\$ 12,044,577	\$ 13,875,673

OPEB Expense, Deferred Outflows of Resources and Deferred Inflows of Resources related to OPEB

For the year ended September 30, 2025, the County recognized OPEB expense of \$1,278,634. At September 30, 2025, the County had deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between actual and expected experience	\$ 1,877,267	\$ 483,024
Changes of assumptions and other inputs	3,901,576	1,623,412
Total	<u>\$ 5,778,843</u>	<u>\$ 2,106,436</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Year Ending September 30</u>	<u>Amount</u>
2026	\$ 450,472
2027	450,472
2028	450,466
2029	458,159
2030	444,161
Thereafter	1,418,677
Total	<u>\$ 3,672,407</u>

	Funds	
	Tourist Development Tax- Beach Restoration	Total Nonmajor Funds
9/30/2024, as previously reported	\$ -	\$ 67,342,525
Change from nonmajor to major fund	2,102,911	(2,102,911)
9/30/2024, as restated	\$ 2,102,911	\$ 65,239,614

NOTE 17 – Subsequent Event Disclosure:

What follows are transactions or other events occurring after September 30, 2025, but before the issuance of these financial statements on May 22, 2026.

Non-recognized Events

October 2025: Acquired the Marlow property with Environmentally Sensitive Lands funds, consisting of 5.15 acres west of the Hammock Dunes Bridge to be used for the City of Palm Coast to expand its Linear Park northward. This property was transferred to the City of Palm Coast on February 23, 2026.

November 2025: “The County broke ground on three new projects, as the county continues to invest in public safety and community needs. The coming facilities are the Fairgrounds Expo Hall, a multipurpose community-recreation facility and emergency shelter built to rigorous hurricane standards, the new Fire Station 50 and Fire Administration Building, and with SMA Healthcare, the Flagler County Central Receiving Facility, Flagler’s first residential treatment facility for men in treatment for addiction and mental health issues.” Heidi Petito, County Administrator

December 2025: Flagler County’s Nexus Center opened as the new home of an expansive Public Library branch in Bunnell, of the Health & Human Services offices, and a welcoming community space. The County broke ground on a new Fire Rescue Station #51 on County Road 305.

February 2026: On February 4, 2026, the County made an early payoff of the Limited Ad Valorem Tax Refunding Bond, Series 2016, with a maturity date of July 1, 2029. The total payoff amount was \$4,418,853.07, of which \$4,410,000 represented principal and \$8,853.07 was interest. The issuance of this debt on April 26, 2016 was to advance refund a portion of Limited General Obligation Bonds, Series 2009 and Limited General Obligation Bonds, 2010, which resulted in a reduction of total debt service payments over 20 years of approximately \$1,736,664 and an economic gain of approximately \$1,064,591.

April 2026: Acquired the Peterson Tract, consisting of ten parcels and 3,819+/- acres, utilizing State-Appropriated Florida Wildlife Corridor Funds to cover the purchase price of \$6,052,339 and Environmentally Sensitive Lands Program funds to cover incidental costs such as title and survey work. This acquisition will be maintained by the County as conservation land.

Notes to Schedule

- No assets are being accumulated in a trust to pay for OPEB benefits. Therefore, the County only reports a total OPEB liability
- There were no change of benefit terms
- Changes of assumptions and other inputs reflect the effects of changes in the discount rate each period. The following are the discount rates used in each period:

<u>Measurement Date</u>	<u>Discount Rate</u>
October 1, 2016	3.10%
October 1, 2017	3.50%
October 1, 2018	3.83%
October 1, 2019	2.74%
October 1, 2020	2.43%
October 1, 2021	2.19%
October 1, 2022	4.40%
October 1, 2023	4.63%
October 1, 2024	3.81%

*GASB Statement No. 75 was implemented in 2018. Until a full 10-year trend is compiled, information for those years for which it is available will be presented.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS:

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for a specific purpose other than debt service or capital projects.

County Transportation Trust

This fund was established to account for, and report proceeds of local and state gas taxes. Expenditures in this fund are restricted for road and right of way maintenance within the County.

Legal Aid

This fund was established to account for, and report proceeds for 25% of the \$65.00 criminal violation fines pursuant to Section 939.185, Florida Statutes. Expenditures in this fund are restricted to fund legal aid programs.

Law Enforcement Trust

This fund was established to account for, and report proceeds received from the sale of confiscated property. Expenditures in this fund are restricted for law enforcement.

Law Library

This fund was established to account for, and report proceeds for 25% of the \$65.00 criminal violation fines pursuant to Section 939.185, Florida Statutes. Expenditures in this fund are restricted to fund personnel and legal material for the public as part of a law library.

Court Facilities

This fund was established to account for, and report proceeds from a surcharge on noncriminal traffic infractions or criminal violations pursuant to Section 318.17, Florida Statutes. Expenditures in this fund are restricted to fund State court facilities.

Tourist Development Tax – Capital Projects

This fund was established to account for, and report proceeds for 20% of the 5% local option tourist development tax on transient lodging within the County. Expenditures in this fund are restricted to capital projects that help promote the County as a strong visitor destination.

Tourist Development Tax – Promotion and Advertising

This fund was established to account for, and report proceeds for 60% of the 5% local option tourist development tax on transient lodging within the County. Expenditures in this fund are restricted to promotional and advertising activities that help promote the County as a strong visitor destination.

Opioid Settlement

This fund was established to account for, and report proceeds received from the Florida Opioid Settlement and Statewide Response Agreement.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS: (continued)

Environmentally Sensitive Lands

This fund was established to account for, and report proceeds from the Limited General Obligation Bonds, Series 2005. Expenditures in this fund are restricted to acquiring environmentally sensitive lands within the County.

Environmentally Sensitive Lands – 2008 Referendum

This fund was established to account for, and report proceeds from the .25 mills voter approved ad valorem levy. Expenditures in this fund are restricted to acquiring environmentally sensitive lands, recreation areas and water recharge areas within the County.

Utility Regulatory Authority

This fund was established to account for, and report proceeds from the fee imposed by ordinance to be used by the County to regulate local water and wastewater utilities as per Chapter 367, Florida Statutes. The fee was temporarily reduced to 0% in 2002, a rate that remains in effect until amended by the Board.

Transportation Impact Fees – West

This fund was established to account for, and report proceeds from impact fees for transportation infrastructure improvements and equipment directly attributable to growth west of the Florida East Coast Railroad right of way.

Transportation Impact Fees – East

This fund was established to account for, and report proceeds from impact fees for transportation infrastructure improvements and equipment directly attributable to growth east of the Florida East Coast Railroad right of way.

New Transportation Impact Fees – East

This fund was established to account for, and report proceeds from impact fees for transportation infrastructure improvements and equipment directly attributable to growth east of the Florida East Coast Railroad right of way.

Transportation Impact Fees – District 1

This fund was established to account for, and report proceeds from impact fees for transportation infrastructure improvements and equipment directly attributable to growth of District 1.

Transportation Impact Fees – District 2

This fund was established to account for, and report proceeds from impact fees for transportation infrastructure improvements and equipment directly attributable to growth of District 2.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS: (continued)

Park Impact Fees

This fund was established to account for, and report proceeds from impact fees for park land acquisition improvements and equipment directly attributed to growth. These fees are collected and expended within four delineated zones within the County. There are four zones/districts accounted for within this fund.

New Park Impact Fees

This fund was established to account for, and report proceeds from impact fees to fund growth-necessitated capital improvements to the county park system. These fees are collected and expended within four delineated districts within the County. There are four districts accounted for within this fund.

Law Enforcement Impact Fees

This fund was established to account for, and report proceeds from impact fees to fund growth-necessitated capital improvements to the law enforcement system.

Fire Rescue Impact Fees

This fund was established to account for, and report proceeds from impact fees to fund growth-necessitated capital improvements to the fire rescue system.

Emergency Services Impact Fees

This fund was established to account for, and report proceeds from impact fees to fund growth-necessitated capital improvements to the emergency medical services system.

Library Impact Fees

This fund was established to account for, and report proceeds from impact fees to fund growth-necessitated capital improvements to the library system.

Economic Development

This fund was established to account for, and report proceeds from the repayment of CDBG funding. The balance remaining is being expended to fund the County's Economic Development Incentive Program.

Daytona North Service District

This fund was established to account for, and report proceeds from a special assessment on benefited property for the maintenance of streets, recreational facilities, and services within the boundaries of the Daytona North Service District.

State Housing Initiative

This fund was established to account for, and report proceeds received from the distribution of State funds to local housing programs.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS: (continued)

Community Redevelopment Block Grant (CDBG) Neighborhood Stabilization

This fund was established to account for, and report proceeds received from grant funding under the Neighborhood Stabilization Program 3 (NSP3). Funds are expended for the acquisition and rehabilitation of eligible foreclosed properties to rent to qualified households.

Bimini Gardens Municipal Service

This fund was established to account for, and report proceeds from a special assessment on benefited property for the acquisition, construction, and improvements of roads and related drainage within the Bimini Gardens Service District.

Espanola Mosquito Control

This fund was established to account for, and report proceeds from State grant revenues and a special assessment on benefited property for purpose of funding mosquito control services in the Espanola area.

Rima Ridge Mosquito Control

This fund was established to account for, and report proceeds from State grant revenues and a special assessment on benefited property for purpose of funding mosquito control services in the Rima Ridge area.

Building Department

This fund was established to account for, and report fees collected on building permits issued within the unincorporated area of Flagler County. The fees are used to fund the operations of the Building Department.

Domestic Violence

This fund was established to account for, and report proceeds received from the surcharge levied pursuant to the provisions of Section 938.08, Florida Statutes, to be used to defray costs of incarceration of persons sentenced under Section 741.283, Florida Statutes, and provide additional domestic violence training to law enforcement.

Alcohol and Other Drug Trust

This fund was established to account for, and report proceeds received from the fees imposed pursuant to the provisions of Section 893.165, Florida Statutes, to be used to fund local substance abuse programs.

Court Technology

This fund was established to account for, and report proceeds received from the recording fee collected pursuant to the provisions of Section 28.24(12)(e)1, Florida Statutes, to be used to fund court related technology.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS: (continued)

Juvenile Diversion

This fund was established to account for and report the portion of proceeds received from the fee collected pursuant to the provisions of Section 939.185, Florida Statutes, to be used to fund juvenile programs.

Crime Prevention

This fund was established to account for, and report proceeds received from the fee collected pursuant to the provisions of Section 775.083(2), Florida Statutes, to be used to fund crime prevention programs.

Court Innovations

This fund was established to account for and report the portion of proceeds received from the fees imposed pursuant to the provisions of Section 939.185, Florida Statutes, to be used to fund innovations to supplement state funding within the state court system.

Teen Court

This fund was established to account for and report the proceeds received from the fees imposed pursuant to the provisions of Section 939.19, Florida Statutes, to be used to fund the operation and administration of a teen court program.

E911

This fund was established to account for and report the 911 fees imposed and collected from local telephone customers and wireless customers. Expenditures are restricted to the establishment and maintenance of 911 emergency services within the County.

North Malacompra District

This fund was established to account for, and report proceeds from a special assessment for drainage improvements and maintenance from the developments in the District to the Intracoastal Waterway.

Grant Special Revenue

This fund was established to account for, and report proceeds from Federal, State and other agency grants.

Court Operations

The Court Operations Fund of the Clerk is used primarily to account for all financial resources that are generated from court operations of the Clerk's Office. Said resources are to be used specifically as noted in FS 28.35(3)(a) and FS 28.37(2).

Clerk Court Technology

The Court Technology Fund of the Clerk is used to account for certain revenues as noted in FS 28.24 that are to be used exclusively for court-related functions in accordance with FS 29.008.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

SPECIAL REVENUE FUNDS: (continued)

Records Modernization

This fund was established to account for certain revenue that is to be held in trust by the Clerk and used exclusively for equipment and maintenance of equipment, personnel training, and technical assistance in modernizing the public records system of the Clerk's Office in accordance with Section 28.24 (12)(d), Florida Statutes.

Law Enforcement Education

This fund was established to account for its share of revenues pursuant to Section 938.15, Florida Statutes, and expenditures related to law enforcement education.

Federal Equitable Sharing

This fund is used to account for, and report resources received under the U.S. Department of Justice's Equitable Sharing program.

Inmate Welfare

This fund was established to account for, and report revenues and expenditures related to the commissary operations of the detention facility.

Constitutional Gas Tax

This fund was established to account for 80 percent of the State two-cent gas tax used for the construction of roads and bridges.

Washington Oaks Parks Dune Restoration

This fund was established to account for, and report revenues and expenditures related to the Washington Oaks Parks Dune Restoration.

IT Replacement

This fund was established to account for, and report revenues and expenditures related to IT Replacement.

Hammock Dunes CDD

This fund was established to account for, and report revenues and expenditures related to the Hammock Dunes CDD Stormwater Assessment District.

Dune Restoration – ST RD A1A

This fund was established to account for, and report revenues and expenditures related to the construction of a 10-foot dune and beach profile extension along 2.6 miles of shoreline adjacent to State Road A1A in Flagler Beach, Florida.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

DEBT SERVICE FUNDS:

Debt service funds are used to account for, and report financial resources restricted, committed, or assigned to the expenditures for the payment of principal and interest related to general long-term debt.

ESL 2008 Referendum

This fund was established to account for, and report ad valorem taxes collected for the repayment of principal and interest associated with the Limited General Obligation Bonds, Series 2009, and Limited General Obligation Bonds, Series 2010, which were issued in August 2009 and October 2010, respectively.

Grant Anticipation Note, Series 2020

This fund was established to account for and report the debt service reserve requirement for Grant Anticipation Note, Series 2020. This loan is to finance the interim costs of certain county local matches towards Army Corp of Engineers Beach Renourishment project. This local match in the amount of \$6,000,000 is expected to be reimbursed by the Florida Department of Transportation (FDOT).

Capital Construction GO Issue

This fund was established to account for, and report ad valorem taxes collected for the repayment of principal and interest associated with the General Obligation Bonds, Series 2005, which were issued in September 2005.

Bond-Taxable Special Assessment Revenue Note, Series 2018

This fund was established to account for, and report special assessments collected from real property of Painter's Hill Seawall Special Assessment District. This collection is for the repayment of the proceeds of a Taxable Special Assessment Revenue Note, Series 2018A, issued in March. These proceeds were used for the construction of a vinyl seawall to protect adjacent homes along the shoreline of this assessment area.

Bond-Capital Improvement Revenue Note, Series 2020

This fund was established to account for and report Non-Ad Valorem pledged revenues collected for the repayment of principal and interest for Capital Improvement Revenue Note, Series 2020, which were issued in December 2020. These proceeds were used for the design and construction of a new approximately 50,000 square foot Sheriff Operations District 3 facility in the county.

Capital Improvements & Refunding, Series 2015

This fund was established to account for, and report pledged revenues collected for the repayment of principal and interest associated with the Capital Improvements & Refunding Revenue Bonds, Series 2015, issued in February 2015.

Bond-Capital Improvement Refunding Revenue Note, Series 2024

This fund was established to account for, and report pledged revenues collected for the repayment of principal and interest associated with Capital Improvement Non-Ad Valorem Refunding Revenue Bonds, Series 2024, issued in January 2025.

**FLAGLER COUNTY, FLORIDA
NONMAJOR GOVERNMENTAL FUNDS – SPECIAL REVENUE, DEBT SERVICE AND CAPITAL
PROJECTS FUND DESCRIPTIONS**

CAPITAL PROJECTS FUNDS:

Capital project funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlay, including the acquisition or construction of capital facilities and other capital assets.

Beach Front Parks

This fund was established to account for and report the revenues and expenditures of a contribution received from a developer to be used for capital improvements to the Malacompra Beachfront Park Area.

Park Maintenance Trust

This fund was established to account for and report a \$600,000 developer contribution to be held in an interest-bearing trust fund for the maintenance of the Malacompra Beachfront Park Area. The maintenance is to be provided from the interest generated in the Trust Fund. In the event these monies are insufficient in any given year to cover the maintenance costs, up to 10% of the principal may be used to cover these costs.

Capital Projects

This fund was established to account for, and report proceeds from the County's ½ Cent Discretionary Sales Tax to be used for the construction, reconstruction, or improvement of public facilities, including but not limited to public safety facilities, roads, bridges and stormwater projects, beach restoration, recreational improvements, and public infrastructure.

Marineland Acres District

This fund was established to account for, and report proceeds from a special assessment for drainage improvements and maintenance from individual parcels in this district and carry it to the backbone outfall.

Capital ESL 2008 Referendum

This fund was established to account for, and report proceeds received from the Limited General Obligation Bonds, Series 2009 and Series 2010, to be used to fund the acquisition of environmentally sensitive lands within the County.

Beach Renourishment

This fund was established to account for, and report proceeds from Grant Anticipation Note, Series 2020, and funding from Army Corp of Engineers for the purpose of 50-year beach restoration project. The loan is to cover the local county match for this project.

**FLAGLER COUNTY, FLORIDA
NONMAJOR ENTERPRISE FUNDS DESCRIPTIONS**

ENTERPRISE FUNDS:

Enterprise funds are used to account for operations: (a) that are financed and operated in a manner similar to business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public and a continuing bases be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

The County maintains the following nonmajor Enterprise Funds:

Solid Waste

This fund was established to account for the operations, closure, and post closure care costs of the County's three landfills as well as the costs associated with the household hazardous materials and oil collection materials center.

Waste Management

This fund was established to account for the collection and disposal of residential solid waste in unincorporated areas of the County.

- (1) The Flagler County Property Appraiser shall assess all property at market or just value. In arriving at just valuation as required under s. 4 Article VII of the State Constitution, the Property Appraiser takes into consideration the factors listed in Section 193.011, Florida Statutes.
- (2) Governmental and Institutional Exemptions.
- (3) "Save Our Homes" (FS 193.155), limits annual increases in property value assessments on real property qualifying for and receiving Homestead Exemption.
- (4) Other exemptions includes \$51,411 homestead exemption, Disability, Widows/Widowers, Agricultural, land taxes, and Age 65 & older.
- (5) Information on estimated actual value is not provided because it cannot be reasonably estimated based on assessed values.
- (6) The numbers for fiscal years 2021, 2022 and 2023 have been updated to correct scrivener's error.

(1) Property taxes are due and payable as of November 1 and become delinquent on April 1st. A tax certificate sale is held on or before June 1st on all delinquent real estate taxes. Once tax certificate is purchased, a lien is placed on the property; therefore, real estate taxes are fully collected prior to the end of the County's fiscal year.

Subtotal, direct debt	84,117,354		84,117,354
Overlapping Debt:			
School District	21,157,604	100.00%	21,157,604
City of Palm Coast	<u>2,498,645</u>	53.36%	<u>1,333,277</u>
Subtotal, overlapping debt	23,656,249		22,490,881
 Total direct and overlapping debt	 <u>\$ 107,773,603</u>		 <u>\$ 106,608,235</u>

Sources: Countywide taxable value amounts were used to estimate applicable percentages. Outstanding debt balances as reported in governmental units financial reports.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the County. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the taxpayers of Flagler County. This process recognizes that, when considering the governments ability to issue and repay long-term debt, the entire debt burden borne by the taxpayers should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

FLAGLER COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED SEPTEMBER 30, 2025

(1) Basis of Presentation:

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) includes the Federal and State award activity of Flagler County, Florida for the year ended September 30, 2025. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Chapter 10.550, Rules of the Auditor General.

(2) Summary of Significant Accounting Policies:

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized when they become a demand on current available financial resources. Expenditures on contracts dated before or on December 26, 2014, are recognized following the cost principles in OMB Circular A-133, and expenditures on all subsequent contracts are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) Indirect Cost Rate

The Uniform Guidance allows a County to elect a de minimis indirect cost rate. The County did not charge an indirect cost rate to any federal or state programs.

(4) Noncash Assistance

The County did not receive any noncash assistance during the year ended September 30, 2025.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE, AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

To the Honorable Board of County Commissioners,
Flagler County, Florida:

Report on Compliance for Each Major Federal Program and Each Major State Project

Opinion on Each Major Federal Program and Each Major State Project

We have audited Flagler County, Florida's (the County) compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and the Florida Department of Financial Services *State Project Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and major state projects, for the year ended September 30, 2025. The County's major federal programs and major state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2025.

Basis for Opinion on Each Major Federal Program and Each Major State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and major state project. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County's major federal programs and state projects.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program and major state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

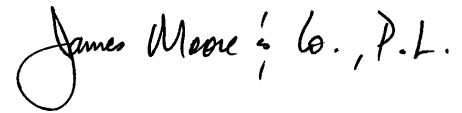

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

James Moore & Co., P.L.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Honorable Board of County Commissioners,
Flagler County, Florida:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Flagler County, Florida (the County), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

James Moore & Co., P.L.

Daytona Beach, Florida
May 22, 2026

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA OFFICE
OF THE AUDITOR GENERAL**

To the Honorable Board of County Commissioners,
Flagler County, Florida:

Report on the Financial Statements

We have audited the financial statements of Flagler County, Florida (the County) as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General; Schedule of Findings and Questioned Costs; and Independent Accountants' Examination Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. The County has no uncorrected prior audit findings that are required to be identified pursuant to the Rules of the Auditor General.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority for the primary government and component units of the reporting entity is disclosed in Note 1 of the basic financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we had no such recommendations.

Property Assessed Clean Energy (PACE) Programs

The following items have been provided to us to comply with state reporting requirements and have not been audited by us. We did not audit the following information within this section, nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provided any form of assurance on this data.

As required by Section 10.554(1)(i)6.a, Rules of the Auditor General, the County and below listed special districts did not have a property assessed clean energy (PACE) program that finances qualifying improvements authorized pursuant to Section 163.081 or Section 163.082, Florida Statutes, operated within the County's or District's geographical boundaries during the fiscal year under audit.

Special District Component Units

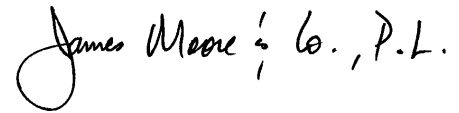

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(2)(b), Florida Statutes. Management has provided the specific information required by Section 218.39(3)(c) in the Statistical Section of the Annual Comprehensive Financial Report.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Governors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L.". The signature is written in a cursive style with a large, circular initial "J" at the beginning.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

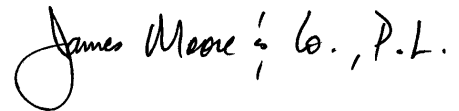

To the Honorable Board of County Commissioners,
Flagler County, Florida:

We have examined Flagler County, Florida's (the County) compliance with Section 365.172, Florida Statutes, *Emergency Communications Number "E911"*, Section 365.173, Florida Statutes, *Communications Number E911 System Fund*, and Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2025. Management is responsible the County's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the American Institute of Certified Public Accountants (AICPA). Those standards require that we obtain reasonable assurance for evaluating the County's compliance with the aforementioned statutes during the year ended September 30, 2025, and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of evaluation of our evaluation of the County's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that the County was not in compliance with the statutes in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, the County complied with the aforementioned requirements for the year ended September 30, 2025, in all material respects.

INDEPENDENT AUDITORS' REPORT

The Honorable Tom Bexley, Clerk of the Circuit Court & Comptroller,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Flagler County, Florida Clerk of Court and Comptroller (the Office), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, and the aggregate remaining fund information of the Office as of September 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and the aggregate remaining fund information, only for that portion of the major funds and the aggregate remaining fund information, of Flagler County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2025, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

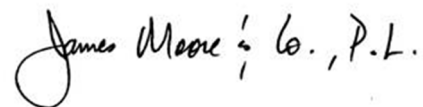

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Office's basic financial statements. The accompanying supplementary information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information as listed in the table of contents is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies:

The accounting policies of the Flagler County Clerk of the Circuit Court & Comptroller (the “Clerk”) conform to the generally accepted accounting principles as applicable to governments. The following is a summary of the significant accounting policies.

Reporting Entity

The Clerk, as established by Article VIII of the Constitution of the State of Florida, is an elected official of the County. Although the Clerk’s Office is operationally autonomous from the Board of County Commissioners (the Board), it does not hold sufficient corporate powers of its own to be considered a legally separate entity for financial reporting purposes. Therefore, the Clerk is an integral part of Flagler County, which is the primary government for financial reporting purposes.

Basis of Presentation

The Clerk’s financial statements have been prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida (the “Rules”). These financial statements are the fund financial statements required by generally accepted accounting principles. However, these fund financial statements do not constitute a complete presentation because, in conformity with the Rules, the Clerk has not presented reconciliations to the government-wide financial statements, the government-wide statements, management’s discussion and analysis or the pension or other post-employment benefit related required supplementary information. Also, certain notes to the financial statements may supplement, rather than duplicate, the notes included in the County’s countywide financial statements. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, where applicable, of each major fund, and the aggregate remaining fund information, only for that portion of each major fund, and the aggregate remaining fund information, of Flagler County, Florida, that is attributable to the Clerk. They do not purport to, and do not, present fairly the financial position of Flagler County, Florida, as of September 30, 2025, and the changes in its financial position, where applicable, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Fund Accounting

Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its asset, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column. All non-major funds are aggregated and displayed in a single column.

The Clerk reports the following governmental funds:

General Fund – The General Fund of the Clerk is used to account for and report all financial resources which are generated from non-court related operations of the Clerk’s Office, appropriations from the Board of County Commissioners, and any other resources not required to be accounted for and reported in another fund.

Court Operations – The Court Operations Fund of the Clerk is used primarily to account for all financial resources that are generated from court operations of the Clerk’s Office. Said resources are to be used specifically as noted in FS 28.35(3)(a) and FS 28.37(2).

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies: (Continued)

Court Technology – The Court Technology Fund of the Clerk is used to account for certain revenues as noted in FS 28.24 that are to be used exclusively for court related functions in accordance with FS 29.008.

Records Modernization – The Records Modernization Fund of the Clerk is used to account for certain revenue that is to be “held in trust by the clerk and used exclusively for equipment and maintenance of equipment, personnel training and technical assistance in modernizing the public records system in the Office in accordance with FS 28.24 (12)(d).

Additionally, the Clerk also reports the following fiduciary funds:

Custodial Funds – The Custodial Funds of the Clerk are used to account for resources held by the Clerk in a custodial capacity.

Fund Balance

The Clerk follows the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Clerk is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

The fund balance classifications specified in GASB Statement No. 54 are as follows:

Non-spendable Fund Balance – Non-spendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of the other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Clerk’s highest decision-making authority, which is a policy of the Clerk. Committed amounts cannot be used for any other purpose unless the Clerk removes those constraints by taking the same type of action.

Assigned Fund Balance – Assigned fund balances are amounts that are constrained by the Clerk’s intent to be used for specific purposes but are neither restricted nor committed. Intent is expressed by (a) the constitutional officer or (b) a body or official to which the constitutional officer has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance – Unassigned fund balance is the residual classification for the General Fund.

The Clerks policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies: (Continued)

Measurement Focus/Basis of Accounting

All governmental funds are accounted for on a current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. This reported fund balance (net current assets) is considered a measure of “available spendable resources.” Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Flagler County Clerk of Court & Comptroller considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on long-term debt are recognized when due.

Chapter 218, Florida Statutes provide that the amount by which the General Fund revenue and transfers exceed annual expenditures be remitted to the Board of County Commissioners immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized. The amount of this distribution is recorded as a liability and as other financing uses in the accompanying financial statements.

Based on the legal opinion provided by Clerks of Court Operations Corporation general counsel of the provisions of Section 28.37(3), F.S., which was adopted as policy by the CCOC Finance and Budget Committee, all excess court-related funds at year end September 30, 2025, have been included in a fund liability, Due to Other Governments.

Custodial funds are accounted for on the accrual basis of accounting. The custodial funds are purely custodial and do not involve measurement of result of operations.

Budgets and Budgetary Accounting

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund, Court Operations, Court Technology and Records Modernization. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

Capital Assets and Long-Term Liabilities

Capital assets used by the Clerk are recorded and accounted for by the Flagler County Board of County Commissioners.

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies: (Continued)

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

Cash and Equivalents

For accounting purposes, the Clerk maintains a cash pool that is available for use by all funds except those whose cash must be segregated due to legal or other restrictions. All cash and equivalents are placed in a bank that qualifies as a public depository pursuant to the provisions of the Florida Security for Public Deposits Act. Every qualified depository is required by law to deposit with the Chief Financial Officer eligible collateral equal to, or in excess of, an amount to be determined by the Chief Financial Officer. The Chief Financial Officer is required to ensure that all funds are entirely collateralized throughout the fiscal year.

Prepaid Expenditures

Certain payments to vendors for software maintenance agreements applicable to future accounting periods are recorded as prepaid expenditures in the accompanying financial statements. An offsetting non-spendable fund balance is reported in the fund financial statements to indicate that prepaid expenditures do not represent available spendable resources.

Accounts Payable

Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

Restricted Net Position

In the accompanying statement of net position, restricted net position, if any, is subject to restrictions beyond the Clerk's control. The restriction is either externally imposed (for instance, by creditors, grantors, contributors, or laws/regulations of other governments) or is imposed by law through constitutional provisions or enabling legislation. It is the practice of the office to utilize restricted assets before unrestricted assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates and assumptions. Actual amounts could differ from those estimates.

Recently Issued and Implemented Accounting Pronouncements

The Governmental Accounting Standards Board has issued statements that will become effective in future years. These statements are as follows:

GASB Statement No. 103, Financial Reporting Model Improvements. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues. The

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 - Summary of Significant Accounting Policies: (Continued)

requirements of this Statement are effective for accounting and error corrections made in fiscal years beginning after June 15, 2025, and all reporting periods thereafter.

GASB Statement No. 104, Disclosure of Certain Capital Assets. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. This Statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. This Statement also requires additional disclosures for capital assets held for sale. A capital asset is a capital asset held for sale if (a) the government has decided to pursue the sale of the capital asset and (b) it is probable that the sale will be finalized within one year of the financial statement date. The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter.

GASB issued Statement No. 105, Subsequent Events, in December 2025. GASB Statement No. 105 clarifies the subsequent events time frame and establishes accounting and disclosure requirements for recognized and non-recognized subsequent events. The provisions of GASB Statement No. 105 are effective for fiscal years beginning after June 15, 2026, and all reporting periods thereafter.

NOTE 2 - Interfund Balances and Transfers:

These balances represent loans between the borrower and the lender funds. These resulted from the time lag between the dates that interfund goods and services are provided or reimbursable expenditures occur. On September 30, 2025, interfund balances consisted of:

Governmental funds:			
General Fund	\$	5,000	\$ -
Court Operations		1,649	-
Custodial funds:			
Child Support		-	6,649
Totals	\$	6,649	\$ 6,649

The Clerk made a transfer between its funds during the fiscal year. The purpose of this transfer was for the General Fund to subsidize the Court Operations Fund for personnel service costs. A summary of the transfers as follows:

Governmental funds:			
General Fund	\$	-	\$ 70,000
Court Operations		70,000	-
Totals	\$	70,000	\$ 70,000

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 3 - Due From/To Entities of Flagler County:

On September 30, 2025, the amounts due from/to entities of Flagler County consist of the following:

<u>General Fund</u>	
Due from Board of County Commissioners	\$ 476
Due from entities of Flagler County	\$ 476
<u>General Fund</u>	
Due to Board of County Commissioners	\$ 108,657
<u>Custodial Funds</u>	
Due to Constitutional Officers	48,577
Due to Board of County Commissioners	3,460
Due to entities of Flagler County	\$ 160,694

There were \$78,517 of excess revenues over expenditures reverted to the Board of County Commissioners.

NOTE 4 – Florida Retirement System and Pension:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

**CLERK OF THE CIRCUIT COURT & COMPTROLLER
FLAGLER COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 5 - Risk Management:

The Clerk participates in the Flagler County risk management program for life and health insurance. The Board of County Commissioners maintains a Group Medical Benefit Internal Service Fund for life and health insurance. During the current year, the Clerk remitted \$1,113,601 to the Board for insurance coverage. Information regarding the program's coverage, self-insurance reserves and program administration can be found in the basic financial statements of the Flagler County Board of County Commissioners for the year ended September 30, 2025.

The office is exposed to various risks of loss related to torts: theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Office carries commercial insurance. There were no significant reductions in insurance coverage from prior years. Settled claims resulting from the risks described above have not exceeded the insurance coverage during the previous three years.

**ADDITIONAL ELEMENTS REQUIRED BY THE
RULES OF THE AUDITOR GENERAL**

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Tom Bexley, Clerk of the Circuit Court & Comptroller,
Flagler County, Florida:

We have audited the financial statements of the Flagler County, Florida Clerk of Court and Comptroller (the Office), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report, if applicable.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Flagler County Clerk of the Circuit Court is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Tom Bexley, Clerk of the Circuit Court & Comptroller,
Flagler County, Florida:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Flagler County, Florida Clerk of Court and Comptroller (the Office) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

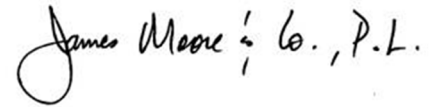

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive style with a large initial 'J'.

Daytona Beach, Florida

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Tom Bexley, Clerk of the Circuit Court & Comptroller,
Flagler County, Florida:

We have examined the Flagler County, Florida Clerk of Court and Comptroller's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies*, Section 28.35, Florida Statutes, *Florida Clerks of Court Operations Corporation*, Section 28.36, Florida Statutes, *Budget Procedure*, and Section 61.181, Florida Statutes, *Depository for Alimony Transactions, Support, Maintenance, and Support Payments; Fees* (collectively, "the Statutes"), for the year ended September 30, 2025. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2025, and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2025, the Office complied with the Statutes in all material respects.

INDEPENDENT AUDITORS' REPORT

The Honorable Rick Staly, Sheriff,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Flagler County, Florida Sheriff (the Office), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the each major fund and the aggregate remaining fund information of the Office as of September 30, 2025, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (GAS), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and aggregate remaining fund information only for that portion of the major funds and aggregate remaining fund information, of Flagler County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County, as of September 30, 2025, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

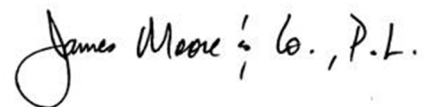

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's basic financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basis financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basis financial statements or to the basis financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basis financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Office's internal control over financial reporting and compliance.

**FLAGLER COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(1) Summary of Significant Accounting Policies:

The accounting policies of the Flagler County, Florida Sheriff (the Office) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Sheriff is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Flagler County, Florida (the County), including the Office, was established by Chapter 8516, Laws of Florida in 1921. The Office is an integral part of the County, the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund. Other funds are shown separately in the appropriate sections of the county-wide financial statements.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund:

General Fund – The principal operating fund of the office. It is used to account for all financial resources, except those required to be accounted for in another fund.

The Office reports the following nonmajor governmental funds:

Inmate Welfare Fund – This fund is used to account for revenues and expenditures related to the commissary operations of the detention facility.

Police Education Fund – This fund is used to account for its share of revenues pursuant to Florida Statute 938.15 and expenditures related to law enforcement education.

Federal Equitable Sharing Fund – This fund is used to account for and report resources received under the U.S. Department of Justice’s Equitable Sharing program.

The Office reports the following fiduciary funds:

Custodial Funds – Custodial Funds are fiduciary funds used to account for assets held by the Office in a trustee capacity, or as an agent for individuals, private organizations, and other governments.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

FLAGLER COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:** (Continued)

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County's policy for revenue recognition in which it considers all revenues to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period, except for property tax revenue, which is only considered available if collected within 60 days.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

(e) **Cash and cash equivalents**—The Office's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Receivables**—Accounts receivable consist primarily of earned bank interest, secondary employment fees and inmate commissary transactions. Management considers these fully collectible and no allowance for bad debts has been provided.

(g) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Flagler County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(h) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(i) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

**FLAGLER COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(1) **Summary of Significant Accounting Policies:** (Continued)

(j) **Fund balance**—Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Sheriff is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government’s discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office’s general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(k) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

(2) **Budgets and Budgetary Accounting:**

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was legally adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) **Investments:**

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer’s Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

**FLAGLER COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(4) Risk Management:

The Office offers employees health insurance through a commercial plan. The Office is responsible to pay the premiums, but retains no risk of loss. The Office is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Office carries commercial insurance.

There were no significant reductions in insurance coverage from prior years. Settled claims resulting from the risks described above have not exceeded insurance coverage in any of the past three years.

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office’s full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office’s proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

NOTE TO SCHEDULES OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GENERAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Sheriff follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Rick Staly, Sheriff,
Flagler County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (Government Auditing Standards), the financial statements of each major fund and the aggregate remaining fund information of Flagler County, Florida Sheriff (the Office) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

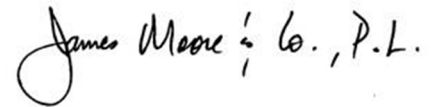

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Rick Staly, Sheriff,
Flagler County, Florida:

Report on the Financial Statements

We have audited the financial statements of the Flagler County, Florida Sheriff (the Office), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report, if applicable.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Flagler County, including the Office of the Sheriff, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we had the following recommendations.

2025-001 – Budgetary Accounting and Funding

During the course of the audit, we noted the Office's historical practice has been to accrue certain major expenditures related to the subsequent fiscal year in order to ensure adequate funding to make lump sum payments early in the subsequent fiscal year, which could result in a material misstatement of the financial statements. To help ensure accurate financial reporting without causing cash flow timing issues, we recommend the Office record all expenditures in the applicable fiscal year in which the Office incurs the liability, and work with the Board and Clerk's office to ensure any cash flow needs for significant lump sum outlays are considered, and adjusted for when necessary, in the Office's appropriation funding schedule.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, fraud, waste, or abuse, that has occurred, or is likely to have occurred, that has an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

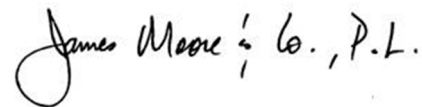

Management's Response to Findings

The Office's response to the recommendations identified in our audit is outlined as listed in the table of contents. The Office's response was not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on it.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal, and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Daytona Beach, Florida
May 22, 2026

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Rick Staly, Sheriff,
Flagler County, Florida:

We have examined the Flagler County, Florida Sheriff's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2025. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2025, and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of the Office's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, the Office complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2025.

Tallahassee, FL 32399

RE: Management's Response to Recommendation

2025-001: Budgetary Accounting and Funding:

During the course of the audit, we noted the Office's historical practice has been to accrue certain major expenditures related to the subsequent fiscal year in order to ensure adequate funding to make lump sum payments early in the subsequent fiscal year, which could result in a material misstatement of the financial statements. To help ensure accurate financial reporting without causing cash flow timing issues, we recommend the Office record all expenditures in the applicable fiscal year in which the Office incurs the liability, and work with the Board and Clerk's office to ensure any cash flow needs for significant lump sum outlays are considered, and adjusted for when necessary, in the Office's appropriation funding schedule.

RESPONSE to 2025-001: Budgetary Accounting and Funding: The historical practice established by previous administrations has been in place for many years. While the previous auditors have been comfortable with this practice, we understand the concern expressed by the new audit firm and agree with the recommendation. FCSO will work with the Clerk's Office to ensure the agency has sufficient cash flow to pay for expenditures incurred at the beginning of the new fiscal year. We are confident we can successfully resolve this timing issue.

Sincerely,

RICK STALY
Sheriff

INDEPENDENT AUDITORS' REPORT

The Honorable Shelly Edmonson, Flagler County Tax Collector,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the general fund of the Flagler County, Florida Tax Collector (the Office), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the general fund for the Office as of September 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, only for that portion of the general fund, of Flagler County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2025, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

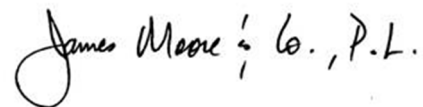

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's basic financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

FLAGLER COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:**

The accounting policies of the Flagler County Tax Collector (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**— The Tax Collector is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Flagler County, Florida (the County), including the Office, was established by Chapter 8516, Laws of Florida in 1921. The Office is an integral part of the County, the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund. Other funds are shown separately in the appropriate sections of the county-wide financial statements.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund; there are no non-major governmental funds:

General Fund - The principal operating fund of the office. It is used to account for all financial resources, except those required to be accounted for in another fund.

Additionally, the Office reports the following fiduciary fund type:

Custodial Fund - Used to account for assets held by the Office as an agent for individuals, private organizations, other governments, and/or other funds. Custodial Funds do not involve measurement of operations. The Office’s Custodial Fund is used to account for the collection and distribution of property taxes, sales tax, vehicle tags and titles, boat registrations and titles, fishing licenses, and driver’s licenses.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”.

FLAGLER COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:** (Continued)

Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County’s policy for revenue recognition in which it considers all revenues to be available, except for property tax revenue, which is only considered available if collected within 60 days.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

(e) **Cash and cash equivalents**—The Office’s cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Flagler County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office kept compensated absence records for the hours earned, used and available.

FLAGLER COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:** (Continued)

(i) **Fund balance**—Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Tax Collector is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government’s discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office’s general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

(2) **Budgets and Budgetary Accounting:**

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) **Investments:**

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer’s Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

FLAGLER COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(4) Risk Management:

The Office participates in the risk management program established by the Board of County Commissioners for life and health insurance. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with the requirements of GASB Statement 10.

The Office is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Office carries commercial insurance. There were no significant reductions in insurance coverage from prior years. Settle claims resulting from the risks described above have not exceeded the insurance coverage during the previous three years.

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

FOR THE YEAR ENDED SEPTEMBER 30, 2025**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Office follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Shelly Edmonson, Tax Collector,
Flagler County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (Government Auditing Standards), the financial statements of the general fund of Flagler County, Florida Tax Collector (the Office) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

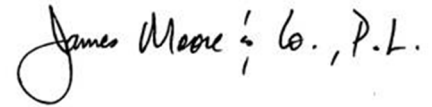

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Daytona Beach, Florida
May 22, 2026

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Shelly Edmonson, Tax Collector,
Flagler County, Florida:

We have audited the financial statements of the Flagler County, Florida Tax Collector (the Office), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Flagler County Tax Collector is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Flagler County, including the Office of the Tax Collector, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

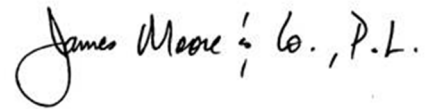

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive style with a large initial 'J'.

Daytona Beach, Florida
May 22, 2026

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Shelly Edmonson, Tax Collector,
Flagler County, Florida:

We have examined the Flagler County, Florida Tax Collector's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2025. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2025 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, the Office compliance for the year ended September 30, 2025, and was in accordance with the Statute in all material respects.

Daytona Beach, Florida

INDEPENDENT AUDITORS' REPORT

The Honorable James E. Gardner, Jr., Property Appraiser,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the general fund of the Flagler County, Florida Property Appraiser (the Office), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Office as of September 30, 2025, and the change in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, only for that portion of the general fund of Flagler County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2025, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Governmental Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

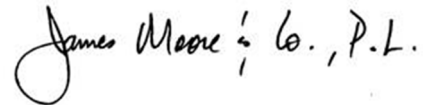

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

FLAGLER COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) Summary of Significant Accounting Policies:

The accounting policies of the Flagler County, Florida Property Appraiser (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Property Appraiser is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Flagler County, Florida (the County), which is the primary government for financial reporting purposes.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund; there are no non-major governmental funds:

General Fund – The principal operating fund of the Office. It is used to account for all financial resources.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County’s policy for revenue recognition in which it considers all revenues to be available, except for property tax revenue, which is only considered available if collected within 60 days.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

FLAGLER COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:** (Continued)

(e) **Cash and cash equivalents**—The Office’s cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Flagler County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Prepaid items** – The Office follows the purchases method for prepaid items. Expenditures for goods and services that extend beyond the end of the fiscal year are recognized as expenditures/expenses at the time of payment rather than being reported as prepaid assets. Accordingly, no prepaid items are reported in the financial statements.

(h) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(i) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office kept compensated absence records for the hours earned, used and available.

(j) **Fund balance**— Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Property Appraiser is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government’s discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office’s general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(k) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

**FLAGLER COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The Office participates in the risk management program established by the Board of County Commissioners for life and health insurance. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with the requirements of GASB Statement 10.

The Office is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Office carries commercial insurance. There were no significant reductions in insurance coverage from prior years. Settle claims resulting from the risks described above have not exceeded the insurance coverage during the previous three years.

**FLAGLER COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

**FLAGLER COUNTY PROPERTY APPRAISER
NOTE TO SCHEDULE OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GENERAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Property Appraiser follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable James E. Gardner, Jr., Property Appraiser,
Flagler County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund of the Flagler County, Florida Property Appraiser (the Office) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

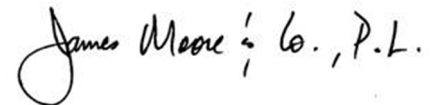

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive style with a large initial 'J'.

Daytona Beach, Florida

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable James E. Gardner, Jr., Property Appraiser,
Flagler County, Florida:

Report on the Financial Statements

We have audited the financial statements of the Flagler County, Florida Property Appraiser (the Office), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report, if applicable.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Flagler County Property Appraiser is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we noted the following recommendations:

2025-001 Internal Control Procedures

During our review of internal control procedures, we noted the Office did not have formal written internal control policies and documented review procedures over certain key financial processes, including disbursement approvals, payroll processing, and journal entry review. We recommend that the Office formalize and document internal control procedures and documented review controls where feasible.

Additional Matters

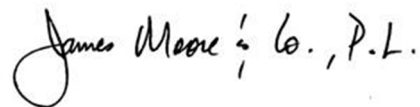

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Management's Response to Findings

The Office's response to the recommendations identified in our audit is outlined as listed in the table of contents. The Office's response was not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on it.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive style with a large initial 'J'.

Daytona Beach, Florida
May 22, 2026

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable James E. Gardner, Jr., Property Appraiser,
Flagler County, Florida:

We have examined the Flagler County, Florida Property Appraiser's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2025. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2025 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2025, the Office complied with the Statute in all material respects.

RE: Management's Response to Recommendation

2025-001 Internal Control Procedures:

During our review of internal control procedures, we noted the Office did not have formal written internal control policies and documented review procedures over certain key financial processes, including disbursement approvals, payroll processing, and journal entry review. We recommend that the Office formalize and document internal control procedures and documented review controls where feasible.

Response to 2025-001 Internal Control Procedures:

The Office notes that it had not been previously requested to provide formal, written internal control procedures during reviews by the prior auditing company. The Office has proactively addressed the matter. Formal written internal control procedures over key financial processes have now been documented, and the Office is currently operating in accordance with these procedures to ensure proper oversight and documented review controls where feasible.

Sincerely,

A handwritten signature in black ink, appearing to read "James E. Gardner, Jr.", enclosed within a large, loopy oval scribble.

INDEPENDENT AUDITORS' REPORT

The Honorable Kaiti Lenhart, Supervisor of Elections,
Flagler County, Florida:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the general fund of the Flagler County, Florida Supervisor of Elections (the Office), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the general fund for the Office as of September 30, 2025, and the change in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, only for that portion of the general fund, of Flagler County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2025, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Governmental Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

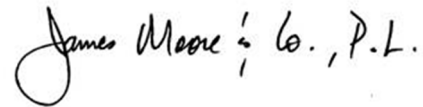

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2026, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

FLAGLER COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) Summary of Significant Accounting Policies:

The accounting policies of the Flagler County Supervisor of Elections (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Flagler County, Florida (the County), the reporting entity for financial reporting purposes.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund; there are no non-major governmental funds:

General Fund – The principal operating fund of the Office. It is used to account for all financial resources.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County’s policy for revenue recognition in which it considers all revenues to be available, except for property tax revenue, which is only considered available if collected within 60 days.

FLAGLER COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(1) **Summary of Significant Accounting Policies:** (Continued)

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

(e) **Cash and cash equivalents**—The Office’s cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Flagler County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Prepaid items**—The Office follows the purchases method for prepaid items. Expenditures for goods and services that extend beyond the end of the fiscal year are recognized as expenditures/expenses at the time of payment rather than being reported as prepaid assets. Accordingly, no prepaid items are reported in the financial statements.

(h) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(i) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

(j) **Fund balance**—Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Supervisor of Elections is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government’s discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office’s general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned funds balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(k) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

FLAGLER COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The Office participates in the risk management program established by the Board of County Commissioners for life and health insurance. The risk management program is accounted for in the Board's financial statements as an Internal Service Fund, in accordance with the requirements of GASB Statement 10.

The Office is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Office carries commercial insurance. There were no significant reductions in insurance coverage from prior years. Settle claims resulting from the risks described above have not exceeded the insurance coverage during the previous three years.

**FLAGLER COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

**FLAGLER COUNTY SUPERVISOR OF ELECTIONS
NOTE TO SCHEDULE OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GENERAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Supervisor of Elections follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Kaiti Lenhart, Supervisor of Elections,
Flagler County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund of the Flagler County, Florida Supervisor of Elections (the Office) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated May 22, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Offices' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

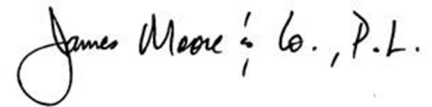

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Offices' special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Daytona Beach, Florida
May 22, 2026

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Kaiti Lenhart, Supervisor of Elections,
Flagler County, Florida:

Report on the Financial Statements

We have audited the financial statements of the Flagler County, Florida Supervisor of Elections (the Office), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated May 22, 2026.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 22, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report, if applicable.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Conditional and Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

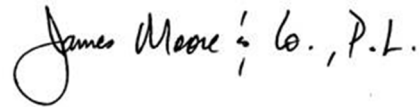

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Daytona Beach, Florida
May 22, 2026

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive style with a large initial 'J'.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Kaiti Lenhart, Supervisor of Elections,
Flagler County, Florida:

We have examined the Flagler County, Florida Supervisor of Elections' (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2025. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2025 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2025. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2025, the Office complied with the Statute in all material respects.

Daytona Beach, Florida
May 22, 2026
